Staff Report 092-18

TO: Mayor and City Council

FROM: Eric Holmes, City Manager

DATE: 6/25/2018

SUBJECT Adoption of the biennial report of the Telecommunications Commission regarding cable television franchise compliance by cable television operator Qwest Broadband Services, Inc. d/b/a CenturyLink

Key Points

- The City/County Telecommunications Commission ("Commission") has prepared a progress report regarding franchise compliance by CenturyLink.
- The Commission finds CenturyLink in full compliance with the terms and conditions of the franchise.
- The Vancouver City Council should take affirmative action in adopting the report for the review to be binding on the cable operator at the time of renewal.

Strategic Plan Alignment

N/A

Present Situation

The City/County Telecommunications Commission ("Commission") has prepared progress reports regarding franchise compliance by the cable television operators beginning with completion of the first year of the franchise term, January 1983. This is the first Biennial Report since a 5-year franchise agreement with CenturyLink was adopted in January 2016. The reports have been forwarded to the legislative bodies of the Vancouver City Council and the Clark County Council.

As noted in the attached Resolution, the Cable Communications Policy Act of 1984 (the "Act"), which was amended in 1992 and currently in effect, requires that franchising authorities provide written notice of any franchise deficiencies and that the cable operators be given the opportunity to correct any violations, if such factors are to be considered during the franchise renewal process.

The Progress Reports prepared by the Commission clearly meet and exceed the requirements of the Act. Legal counsel advises staff, however, that the legislative bodies of the franchising

authorities should take affirmative action in adopting the reports for the reviews to be binding on the cable operator at the time of renewal.

As of the date of the Biennial Progress Report, the Commission finds CenturyLink in full compliance with the terms and conditions of the franchise. The City/County Cable Television Office only fielded two complaints regarding CenturyLink's service in 2016-2017. CenturyLink reports a total of 276 cable TV subscribers in Vancouver and Clark County. Because of competitive pressure and rising programming costs, CenturyLink has ceased actively marketing their Prism cable TV service in Vancouver and Clark County.

Advantage(s)

1. Adoption of the Biennial Report preserves the rights of the City and cable television subscribers should issues arise which require correction by the cable operator.
2. The biennial report documents performance by CenturyLink which is part of the framework for franchise renewal negotiations.
3. The biennial report meets the requirements of federal law to provide a written evaluation of franchising performance by the cable operator.

Disadvantage(s)

Franchising authority to correct certain actions by the cable operator is limited by federal law; however, without written record of operator performance, Council has no standing to raise specific issues during the franchise renewal process.

Budget Impact

The City of Vancouver collected \$9,206 in franchise fees from CenturyLink during 2016-17 in addition to \$2,342 in PEG Capital Support Funds.

Prior Council Review

None.

Action Requested

Adopt a resolution approving, ratifying, and affirming the biennial report of the Telecommunications Commission (January 2016-December 2017).

RESOLUTION NO. M- 3970

A RESOLUTION adopting the City/County Telecommunications Commission (“Commission”) Biennial Report regarding cable television franchise compliance by the cable operator Qwest Broadband Services, Inc. d/b/a CenturyLink (“CenturyLink”).

WHEREAS, the Commission has regularly reviewed the performance of CenturyLink and compliance with the terms and conditions of the cable television franchise.

WHEREAS, the Commission has documented its review and findings regarding compliance by CenturyLink with the provisions of the cable television franchise by submitting a biennial report to the Vancouver City Council and the Clark County Council, and

WHEREAS, the Cable Communications Policy Act of 1984 (Public Law 98-549), 47 U.S.C Section 546(d), requires that franchise authorities, in this case the City of Vancouver and Clark County, provide cable operators with written notice and the opportunity to correct any franchise violations which may occur during the course of the franchise, if such violations are to be considered during the franchise renewal process.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY OF VANCOUVER:

Section 1. That the Vancouver City Council adopts, ratifies, and affirms the Commission Progress Report (January 2016 – December 2017) on the performance of CenturyLink and compliance with the terms and conditions of the cable television franchise.

RESOLUTION - 2

City/County Telecommunications Commission

RESOLUTION 2018 – 01

**Regarding Adoption of the Biennial Progress Report
on the CenturyLink Corporation Vancouver/Clark County Franchise Agreement**

Section 1. Findings

- 1.1 Pursuant to Section 4.5 “Performance Evaluation Sessions” of the current cable television franchise agreement between The City of Vancouver (“City”), Clark County (“County”) and Qwest Broadband Services, Inc. d/b/a CenturyLink (“CenturyLink”), the City/County Telecommunications Commission (“Commission”) may conduct performance reviews of the cable operator to insure franchise compliance every two years.
- 1.2 Court rulings indicate that legislative bodies of the franchising authorities must formally accept and adopt written reports regarding franchise compliance by the cable operator in order for such reviews as prepared by the Commission to be binding on the cable operator.
- 1.3 As part of the review process, the Commission requested specific information from CenturyLink, via a letter dated January 9, 2018 (attached as EXHIBIT A), to reach the Commission no later than February 16, 2018.
- 1.4 CenturyLink provided the Commission with the requested information on February 16, 2018.
- 1.5 The Commission conducted a Public Review of CenturyLink’s performance during the regular March 7, 2018, meeting.
- 1.6 The Commission has reviewed and documented its findings of the information provided by CenturyLink in relation to their performance and franchise compliance and prepared a Biennial Progress Report for the years 2016-2017 (attached as EXHIBIT B).
- 1.7 Included in the Biennial Progress Report is a review of Commission activity during 2017 and major work items for 2018.
- 1.8 As of the date of the Biennial Progress Report, the Commission finds CenturyLink in full compliance with the terms and conditions of the franchise.
- 1.9 The City/County Cable Television Office only fielded two complaints regarding CenturyLink’s service in 2016-2017.

- 1.10 Because of competitive pressure and rising programming costs, CenturyLink has ceased actively marketing their Prism cable TV service in Vancouver and Clark County.

NOW, THEREFORE BE IT RESOLVED:

Section 2.

- 2.1 The Commission, through this Resolution, adopts the 2016-2017 Biennial Progress Report on the Qwest Broadband Services, Inc. d/b/a CenturyLink Vancouver/Clark County Franchise Agreement.
- 2.2 The Commission directs staff to forward finalized copies of the 2016-2017 Biennial Progress Report to the Vancouver City Council and the Clark County Council.
- 2.3 The Commission recommends that the Vancouver City Council and the Clark County Council adopt, ratify, and affirm the 2016-2017 Biennial Progress Report.

Approved (Date): June 6, 2018

RE: CenturyLink 2016-2017 Bi-Annual Franchise Performance Review

Dear Ms. Ridderbusch:

The City of Vancouver and the Clark County Telecommunications Commission is conducting its bi-annual performance review of CenturyLink. In preparation for the review, we are requesting the following information itemized below. All information should be as of December 31, 2017, unless otherwise indicated or appropriate.

Please provide:

1. System plant mileage for the Vancouver and Clark County cable system and the number of homes passed. Please include the number of miles of subscriber cable plant. Please attach current maps detailing constructed areas, delineating the aerial and underground plant for each. Also, please include a map suitable for duplication and distribution to the Commission and the public.
2. Current rate schedules for cable services as of January 2018.
3. Subscriber count, by programming service tier, as of January 1, 2018.
4. Average response time to customer complaints in 2016 and 2017. Please provide the response time from when the customer initially calls to complain until the repair is made. If these times are not currently tracked, please clarify what times are reported.
5. Average response time to requests for installation and cable service in both constructed and new construction areas in 2016 and 2017.
6. Average number and duration of outages during 2016 and 2017.
7. Actions taken by CenturyLink to comply with the Federal Cable Policy Act of 1984 and the Cable Act of 1992 in the areas of:
 - a. Equal Employment Opportunity
 - b. Security and privacy provisions
 - c. Leased Access

8. An updated list of key CenturyLink personnel in the Vancouver/Portland metropolitan area, including key personnel that deal with the City/County Cable Office on franchise related issues (including those located in regional and/or the corporate CenturyLink offices). Please indicate their title, area(s) of responsibility and organizational relationship to CenturyLink, CenturyLink's regional office in Portland, Oregon and CenturyLink's regional office in Washington State.
9. The number of CenturyLink employees in the Vancouver/Portland metropolitan area.
10. A brief description of the emergency broadcasting capabilities of the cable system and how CenturyLink is linked with Vancouver/Clark County emergency service providers.
11. Please provide any other information on services or activities including community activities and sponsorships, which you may wish to communicate to the Commission.

The information provided by CenturyLink will serve as the basis of the Bi-annual Performance Review, along with public testimony and Commission comments received at the March 7, 2018, Telecommunications Commission meeting. We anticipate the Commission will consider a draft of the Annual Report at the June 6, 2018, Commission meeting.

Accordingly, response to the Cable Television Office with the above requested information on or before February 16, 2018, will be greatly appreciated.

Your cooperation in this process is, as always, appreciated. Please contact Tracie Looney or me if you have any questions or need clarification on any issue.

**Report to the
Clark County Council
And
Vancouver City Council
From the
City/County Telecommunications Commission**

**PROGRESS REPORT ON THE CENTURYLINK
VANCOUVER/CLARK COUNTY FRANCHISE AGREEMENT**

May 2018

I. INTRODUCTION - BACKGROUND

This is the first report by the Vancouver/Clark County Telecommunications Commission ("Commission") reviewing the status of the Cable Television System Franchise Agreement ("franchise agreement") with the cable television operator, Qwest Broadband Services, Inc. (QBSI) d/b/a CenturyLink, since a 5-year franchise agreement was adopted in January 2016.

The 2016-17 Report is biennial, as agreed to in the franchise agreement. The bulk of the report is consistent with the format for the previous evaluations of Comcast's performance. The Commission's review focuses on calendar years 2016-17 although, as appropriate, more recent developments and issues are noted.

The Commission recognizes the importance of conducting reviews – not only as a franchise obligation, but also in light of changes in the marketplace, ever evolving technologies, population growth in the Vancouver and Clark County area and the requirements of the Federal Cable Act – to give an operator the opportunity to correct any franchise violations. The Commission understands that as a citizen advisory board it is responsible for the efficient and effective management and enforcement of the franchise. In addition, one of the most effective roles of the Commission through the years has been to inform various stakeholders, including the cable operator, Education and Government access providers, elected officials, and cable subscribers, about the needs and issues of interest to the community. This report also summarizes the activities of the Commission during 2017.

As noted in this report, CenturyLink's performance during the past two years has met all of the conditions of the City and County franchises. Review of the cable operator's overall performance as well as a status report regarding Commission activities are contained in this review.

II. PURPOSE/GOALS

As set forth in the current franchise agreement with CenturyLink, Section 4.5, provides for performance evaluation sessions which are intended to assess the cable operator's performance as well as compliance with the terms and conditions of the franchise and compliance with state and federal laws and regulations during the previous two years. Evaluation of past performance by the cable operator(s) is of critical importance under federal law as the franchising authorities look to the future. In addition, this biennial review outlines the efforts and focus of the Commission during the past year and priorities for the current year.

III. METHODOLOGY

CenturyLink's performance was evaluated by reviewing the following information pertaining to performance and related cable service information:

- A. Correspondence, phone calls, electronic mail and inquiries received by the City/County Cable Television Office ("Cable TV Office");
- B. Minutes and video records of Commission meetings;
- C. Formal exchange of correspondence between CenturyLink and the Cable TV Office;
- D. Press reports and the experience of other communities, especially in the Vancouver/Portland area, regarding the delivery of cable television services; and
- E. Testimony received from the public during regularly-scheduled Commission meetings where public testimony on CenturyLink's performance was solicited, the most recent being March 7, 2018.

Information requested by the Commission from CenturyLink specifically for the purpose of preparing this report is on file and available for review at the Cable TV Office.

IV. FRAMEWORK FOR EVALUATION

The framework for evaluation has been governed by Section 4.5 "Performance Evaluation Sessions" of the franchise agreement. The agreement provides that evaluation "shall deal with the Grantee's [CenturyLink's] performance of the terms and conditions of the Franchise and compliance with state and federal laws and regulations."

In addition, findings and recommendations criteria presented to the Vancouver City Council and Clark County Council by the Commission in Resolution 2015 – 05, November 4, 2015, in recommending the franchise agreement are also part of the framework for evaluation of CenturyLink's performance:

- A. Commitment to maintain current programmed PEG channels;
- B. CenturyLink's commitment to simultaneously carry six (6) of the existing PEG access channels in high-definition ("HD") and include up to twenty-four (24) hours of PEG access programming on CenturyLink's video-on-demand ("VOD") platform;
- C. Preserve PEG channel access to the lowest tier available to subscribers;
- D. Washington State and local programming identified as broad programming categories to be provided by the operator;
- E. Capital and operational funding support for public, education, and government access programming;
- F. Responsiveness to the special and unique qualities of Vancouver and Clark County.

V. HIGHLIGHTS OF 2016-17 PERFORMANCE REVIEW

The Report chronicles the first and second full years of service by CenturyLink as a cable operator. The Commission notes that the company has shown a good commitment to the community. Examples of CenturyLink's ongoing commitment include:

- A. Hosting annual "Backpack Buddies Food Drives," which provided the SHARE Inc. Food Bank in Vancouver with over \$396,000 between 2016-17;
- B. Sponsorship of the Greater Vancouver Chamber of Commerce.

Darrion Bowers oversees CenturyLink operations in Vancouver and Clark County, as well as the Oregon market. Rick Gutierrez serves as the Regulatory Operations Manager. Samantha Ridderbusch, State and Local Government Affairs Director for Oregon and SW Washington, serves as the primary contact for the Cable TV Office and the Telecommunications Commission. CenturyLink reports there are 475 company employees in the Vancouver/Portland area.

Commission activities during 2017 included:

- A. Biennial review of Comcast performance;
- B. Re-designation of Educational and Governmental access providers;
- C. Review and forwarding of recommendations regarding the Public, Educational and Governmental ("PEG") Capital Support Fund.

In 2016, the Cable TV Office received two complaint calls regarding CenturyLink. One complaint was about their Internet service and the second was regarding a CenturyLink

contractor who was trimming trees in preparation for a fiber installation. The Cable TV Office did not receive any complaint calls regarding CenturyLink in 2017.

CenturyLink reports a total of 276 cable TV subscribers in Vancouver and Clark County. Nationally, cable operators are battling to keep customers from migrating to satellite and/or Internet television or dropping pay TV all together. Because of competitive pressure and rising programming costs, CenturyLink has ceased actively marketing their Prism cable TV service in Vancouver and Clark County.

The Commission conducted a public review session regarding CenturyLink's performance at the March 7, 2018, regular meeting. The meeting was publicized in local newspapers and on the City of Vancouver's and Clark County's web pages. One e-mail, regarding CenturyLink's Internet service, was received as part of the public testimony. Written testimony and phone calls to the Cable TV Office were also accepted through April 7, 2018.

VI. CENTURYLINK 2016-2017 PERFORMANCE REVIEW – SUMMARY ANALYSIS

A. Construction

CenturyLink reported they have Prism service available to 12% of Vancouver and 5% of Clark County. The franchise agreement outlines extension offers of three years if the company reaches 20% of Vancouver/Clark County by December 31, 2018, and an additional two years if 30% is reached by December 31, 2021.

On February 22, 2018, staff and the Executive Committee of the Commission met with CenturyLink representatives to review progress on the fiber network buildout by the company. The company reported making significant progress in building a fiber network throughout the city and major areas of the county.

B. Rates

As of January 1, 2018, the Basic Service, which includes local broadcast and PEG channels, has a monthly rate of \$31.49 (including a 5% franchise fee). The Essential tier, which includes Basic Service and other selected channels, costs \$91.34 (including a 5% franchise fee).

A table of CenturyLink rates and other charges as of **January 2018** is attached to this report. (Exhibit A)

C. Consumer Services

1. During 2016-2017, CenturyLink met nearly all the telephone answering performance requirements of the franchises and of FCC customer service standards, answering 90% of calls within thirty (30) seconds. CenturyLink's

reporting shows the following percentage of calls answered within thirty (30) seconds in 2016: 2nd Quarter – 98%; 3rd Quarter – 96.3%; 4th Quarter – 96.3% and 2017: 1st Quarter – 89%; 2nd Quarter – 91%; 3rd Quarter – 93.6%; 4th Quarter – 91.6%.

2. Standard customer installations in constructed areas were completed within seven (7) days after the request for cable service was received 95.6% of the time.
3. CenturyLink provides parental control, as required by the Cable Communications Policy Act of 1984, allowing users to block out any channel. There is no additional charge for this feature.
4. On May 3, 2016, CenturyLink opened a state-of-the-art customer experience store at 2707 N.E. 114th Avenue, Suite C-3. The showroom includes TV screens where customers can test CenturyLink products and services.

D. PEG Capital Support

1. A total of \$3,845 in PEG Capital Support payments collected by CenturyLink and paid to the City and County has been placed in the PEG Capital Support Fund from August 2016 through the 4th quarter of 2017.

E. Technical Performance

1. In 2016, there was an average of 6 outages per month, averaging 0.06 hours in length. In 2017, there was an average of 4 outages per month, averaging 0.10 hours in length. Outages are tracked by repair and maintenance technicians and logged in a technical performance log for each occurrence.

F. Emergency Alert System

1. As required by the Federal Communications Commission, CenturyLink operates and regularly tests an Emergency Alert System (“EAS”).
2. CenturyLink monitors three Vancouver/Portland EAS sources for alert information.
3. CenturyLink tests their EAS system a minimum of twelve times per year

G. Community Involvement

1. As noted by CenturyLink, in 2016-17 the company gave over \$400,000 in cash to numerous local community organizations in SW Washington/Oregon. The Commission acknowledges with appreciation CenturyLink's local sponsorships,

participation, and charitable contributions in the Vancouver/Clark County community. These include the Share, Inc., Greater Vancouver Chamber of Commerce and the Clark County Fair.

H. Overall Performance

1. The Commission is pleased to report that CenturyLink was in compliance with all provisions of the franchise agreements through December 2017.
2. The reliability and customer service for CenturyLink's Prism cable service was consistently strong throughout 2017.
3. CenturyLink has increased its fiber network throughout the majority of Vancouver and major portions of Clark County.
4. The Commission is disappointed to learn that CenturyLink has made the business decision to not actively market their cable service.

VII. TELECOMMUNICATIONS COMMISSION ACTIVITIES

Paul Dicker served as Chair of the Commission through 2017.

The Commission held three (3) regular meetings in 2017. In addition, the PEG Committee met twice to review PEG capital grant applications.

In 2017, the Commission focused on PEG issues, including designation of access providers and channels, and recommendations on PEG capital grants.

Major work items and accomplishments for 2017 included:

- A. Review and re-designation of PEG Access Providers for government and education;
- B. Coordination of the PEG Capital Support Fund program;
- C. Assisted citizens and cable television subscribers for both Comcast and CenturyLink in resolving 41 complaints regarding cable and Internet services during 2017;

Major work items for 2018 include:

- A. Administer the cable television franchise agreement for the City of Vancouver and Clark County and insure current grantees' (Comcast & CenturyLink) continued compliance with franchise requirements;
- B. Provide assistance to citizens and cable television subscribers in cable television matters by facilitating complaint resolution and enforcing franchise compliance by

the cable operator in all matters pertaining to consumer issues;

- C. Review proposals for cable television franchise with alternative providers and make recommendations to the legislative bodies when they are received;
- D. Provide recommendations to legislative bodies on awards of PEG Capital Support funding for designated access providers and Institutional Network subscriber;
- E. Review and recommend re-designation of PEG Access Providers for government and education;
- F. Review work plan for 2019/2020.

VIII. SUMMARY

The Commission is pleased to present a positive report to the legislative bodies in this report on the progress of cable television in Vancouver/Clark County. CenturyLink is in full compliance with the terms and conditions of the franchise.

The current five-year cable franchise with CenturyLink expires on December 31, 2020. Though it appears unlikely that CenturyLink will seek any available extension opportunities, company representatives have pledged to meet all requirements through the five-year franchise. With the video market pressures of industry consolidation and “Over the Top” video delivery from companies, such as Netflix, accelerating the number of “cord cutters,” CenturyLink has ceased marketing their Prism cable service and focused more on providing customers with broadband connectivity. Though the decision to cease marketing Prism cable service is disappointing, the Commission is pleased to see the progress CenturyLink has made deploying an extensive fiber network for Vancouver\Clark County future telecommunications needs.

SUBJECT Designation of TV ETC and CVTV respectively as the education and government service providers on the Comcast and CenturyLink cable systems

Key Points

- The City/County Telecommunications is recommending that the Council re-designate TV ETC as the educational access provider and CVTV as the government access provider for Vancouver and Clark County on the Comcast and CenturyLink cable systems.
- Both CVTV and TV ETC have served as designated access providers for a number of years and produce professional, high quality programming.
- This is an annual recommendation made by the Telecommunications Commission to the City Council and Board of County Councilors.

Strategic Plan Alignment

N/A

Present Situation

The City and County have a cable television franchise agreement with Comcast of Washington, V LLC that was effective on July 1, 2013, and a cable franchise agreement with Qwest Broadband Services, Inc. dba CenturyLink that was effective on January 22, 2016. Under the terms of those agreements, Comcast and CenturyLink provide channels for Public, Education and Government (PEG) programming, and it is the responsibility of the City and County to designated authorized entities to provide programming on those channels.

Organizations that are designated as access providers have authorization to broadcast programs over assigned channels on the Comcast and CenturyLink cable systems. They are also able to apply for annual PEG grants, administered by the City, for equipment and other capital expenses associated with producing and broadcasting programming.

TV ETC is a consortium of K-20 educational institutions operated by Educational Service District 112 and is the current educational access provider for Vancouver and Clark County. CVTV,

operated by the City/County Cable Television Office, is the current government access provider for Vancouver and Clark County.

The City/County Telecommunications Commission ("Commission") recommends organizations to serve as access providers to the City Council, per VMC 5.19.320(7). The Commission met on June 6, 2018, to review designation applications and annual reports and to receive presentations from the applicants. Based on their review, the Commission is recommending re-designation of TV ETC and CVTV, respectively, as the education and government access providers for Vancouver and Clark County.

Advantage(s)

1. Continues to make local government and educational cable television programming available to the residents of Vancouver and Clark County.
2. Supports organizations which have proven track records of providing professional, high quality programs that are of interest to the local community.

Disadvantage(s)

None.

Budget Impact

None, although designation as an access provider allows the organizations to apply for grants through the PEG Support Fund. PEG grants are funded through a \$1.00 per month fee collected by Comcast and CenturyLink from residential subscribers.

Prior Council Review

Designations of the PEG access providers are made annually. On June 26, 2017, the City Council designated TV ETC as the educational access provider and CVTV as the government access provider.

Action Requested

Adopt resolutions approving The Vancouver Educational Telecommunications Consortium (TV ETC) as the designated educational access provider and Clark Vancouver Television (CVTV) as the designated government access provider for Vancouver and Clark County on the Comcast and CenturyLink cable systems.

RESOLUTION NO. M-3971

A RESOLUTION relating to cable television and to the designation of The Vancouver Educational Telecommunications Consortium (“TV ETC”) as the educational access provider on the Comcast cable system for Vancouver and Clark County.

WHEREAS, Section 9 of the June 1, 2013, cable television franchise agreement between Comcast of Washington, V LLCC (“Comcast”), the City of Vancouver (“City”) and Clark County (“County”) and Section 9 of the January 22, 2016, cable television franchise agreement between Qwest Broadband Services, Inc. d/b/a CenturyLink (“CenturyLink”) the City and County, allows the Grantor (City and County) to designate authorized entities to manage the Public, Educational and Government (“PEG”) Access use channels on the cable system; and

WHEREAS, a consortium of K-20 educational institutions (public and private) operating as The Vancouver Educational Telecommunications Consortium (“TV ETC”) and funded through contributions from member institutions/districts, has operated four channels on the local cable system as the designated educational access channels since December 3, 1998; and

WHEREAS, all designated access providers (public, educational, and government) are evaluated and reviewed annually by the City County Telecommunications Commission (“Commission”); and

WHEREAS, TV ETC submitted an application to the Commission on April 25, 2018 seeking to be re-designated as the educational access provider; and

WHEREAS, the Commission reviewed the application on June 6, 2018, and finds that TV ETC has fully complied with the criteria and expectations for the educational access provider and recommends that the Vancouver City Council and Clark County Council designate TV ETC

RESOLUTION - 1

as the educational access provider for Vancouver and Clark County for the next year.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY OF VANCOUVER:

Section 1. As recommended by the City/County Telecommunications Commission in Resolution 2018-02, attached hereto as Exhibit “A”, TV ETC is hereby designated as the educational access provider on the Comcast and CenturyLink cable systems in Vancouver and Clark County.

Section 2. TV ETC will continue to be allocated four channels, channels 27, 28, 29 and high definition channel 328 on the Comcast cable system and channels 8022, 8023 and 8024 and high definition channels 8522, 8523 and 8524 on the CenturyLink cable system for educational access use.

Section 3. TV ETC will be eligible to apply for and receive PEG Capital Support Funds pursuant to Ordinances M-3335 and M-3372.

Section 4. Acts taken pursuant to this resolution but prior to its approval are hereby ratified and confirmed.

ADOPTED at regular session of the Council of the City of Vancouver, on this 25th day of June, 2018.

RESOLUTION - 2

City/County Telecommunications Commission

RESOLUTION 2018-02

Regarding Annual Review of Educational Access Programming and Re-Designation of TV ETC as Educational Access Cable Provider

Section 1. Findings

- 1.1 Section 9 of the cable television franchise agreement, effective June 1, 2013, between Comcast of Washington, V LLCC (“Comcast”), the City of Vancouver (“City”) and Clark County (“County”) requires that the Grantor (City and County) designate authorized entity or entities to manage or co-manage the Public, Educational and Government (“PEG”) Access use channels on the cable system.
- 1.2 A consortium of K-20 educational institutions (public and private) operating as The Vancouver Educational Telecommunications Consortium (TV ETC) and funded through contributions from member institutions/districts, operates three channels on the local cable system which are the designated educational access channels. The Commission originally approved the designation under the cable television franchise agreement via Resolution 1998-09 on December 3, 1998. TV ETC has been re-designated annually as the Educational Access Provider since that time.
- 1.3 All designated access providers (public, educational, and government) will be evaluated and reviewed annually by the Commission consistent with the provisions of Section 9 of the cable franchise agreement, Section 5.19.300 of the Vancouver Municipal Code and Clark County Code 36.12.160 and Section 1.6 of this Resolution.
- 1.4 TV ETC submitted an application to the Commission seeking designation as the authorized educational access provider on April 25, 2018 (attached as EXHIBIT A).
- 1.5 The Commission reviewed the TV ETC request for re-designation and representatives from TV ETC made a presentation to the Commission on June 6, 2018 in support of the re-designation and to review programming on the local educational access channels.
- 1.6 The performance criteria for designation is to include, but is not limited to the following:
 - a) Number of hours of locally produced original video programming/week per channel;
 - b) Number of hours of locally scheduled video programming/week per channel;
 - c) Number of days and hours per week the channel is programmed with locally produced and locally scheduled video programming;
 - d) Amount of operating budget which meets or exceeds the criteria of operating funds to capital funds established in section 9.6 of the franchise agreement with Comcast Corporation;
 - e) Extent to which locally produced and locally scheduled video programming focuses on the designated access category;

- f) Extent to which the locally produced and locally scheduled video programming provides value added to cable television subscribers in meeting the demonstrated needs established in the community ascertainment study.
- g) Number of hours produced by each TV ETC member;
- h) Number of hours scheduled for each TV ETC member;
- i) Total number of local programs produced and airing on one of the three channels and by which providers/members, as well as by which grade level (elementary, middle school, high school) as appropriate, for airing on TV ETC channel.

1.7 The Commission finds that TV ETC, as the designated educational access provider since June 7, 2017, has fully complied with the criteria and expectations for designation (as documented in the TV ETC Annual Report 2017 – EXHIBIT B) and recommends that the designation should remain in effect and that the designation will be reviewed and evaluated annually by the Commission

NOW THEREFORE BE IT RESOLVED:

Section 2.

- 2.1 The City/County Telecommunications Commission, through this Resolution, recommends the continued designation of TV ETC as the educational access provider for the Comcast cable system, subject to annual review by the Commission as outlined in Section 1.3 and Section 1.6 of this Resolution.
- 2.2 The Commission recommends that TV ETC continue to be allocated four channels, channels 27, 28, 29 and high definition channel 328 on the Comcast cable system for educational access use.
- 2.3 Staff is directed to forward this Resolution to the Vancouver City Council and Clark County Council.

ANNUAL REPORT 2017

WHAT WE DO

TV ETC is a partnership of Clark County schools sharing resources to provide local educational programming on cable television.

Since 1979, the Vancouver Educational Telecommunications Consortium (TV ETC) has served the educational and general community in Clark County.

TV ETC members produced 299 hours of original locally produced video programming in 2017.

WHO WE SERVE

Shared Resources

A consortium of 12 educational institutions, both private and public, share educational access channels representing 77,000 students from Kindergarten through 12th grade in Clark County.

Communications Tool

TV ETC members view our channels as a vital communications and information tool for our local schools.

Quality Programming

TV ETC succeeds because of our schools' commitment to fund professional quality programming that is informative and entertaining.

Popular Programming

TV ETC produces popular programming such as school concerts, plays from elementary, middle and high schools; and sports events from our local schools. We also feature programs on innovative teaching initiatives, school improvement plans, student profiles and even educational cooking segments.

WHAT WE MAKE

How Quest Academy is Creating Remarkable Change in Children

Every year, students who, for a variety of reasons including developmental disabilities and mental health issues, have behavior that's unmanageable, and get expelled. Visit a new school that is offering hope.

2017 YEAR IN REVIEW

- The Vancouver district served approximately 24,000 students in 41 schools and specialized programs, including four comprehensive high schools; six middle schools; 21 elementary schools; an arts and academics magnet school (grades 6-12); an alternative learning program; a STEM magnet school; a parent-partnered home school program; a virtual learning program; an early childhood education center; a regional school for students with severe behavioral disorders; and two community centers blending education, fitness, and recreation programs.
- District staff, parents and community members continued to benefit from Public Education Government (PEG) capital grants, which have provided state-of-the-art video and television production equipment at the Jim Parsley Center television studio, four high schools, six middle schools, Vancouver School of Arts and Academics, and selected elementary schools. By enabling the expansion of production capabilities throughout the school system, PEG grants have provided students with “real-world” learning opportunities to create programs for the local cable television viewing audience.
- Video and television media also were a vital component of the school district’s community relations program. A Communication Team reporting directly to the superintendent managed ongoing communication with internal and external stakeholders. The team developed and implemented a comprehensive communication plan incorporating video/television, web, and print products as well as public engagement strategies and activities.
- Two professional video specialists developed and produced a variety of cable television educational programs for Vancouver schools and the greater community. Among other programs, a frequent news magazine show entitled “Inside Vancouver Public Schools” informed the community about the programs, initiatives, and people of Vancouver Public Schools.

- The district enlisted the help of volunteers in a number of roles, both on-air and behind the camera. Most of the volunteers were current or former television news professionals. The district also enlisted video production students to assist in field productions.
- In collaboration with teachers and the director of career-technical education, the district continued its efforts to incorporate cable television programming projects into the high school video production curriculum. In 2017, high school students covered several multi-camera activities, sporting events, and performances. The three high schools with full studios (Columbia River, Fort Vancouver, and Hudson's Bay) began production and submitted episodes of school-centered news/talk shows, as part of a PEG project approved in 2015. In addition, schools contributed student-created films for broadcast.
- The district's sports programming had a groundbreaking season in 2017, implementing PEG gear in a state-of-the-art remote broadcast kit. The program is overseen by district staff, alongside industry professionals Joel Berhow and Jory Randall. VPS Game Time broadcasted 20 live sports events in 2017. These broadcasts included equal coverage for boys' and girls' sports, including football, soccer, volleyball, and basketball.
 - The district abandoned the traditional mobile production unit model for its remote live broadcasts in favor of a modern remote or "remy-" style setup. Using the district's powerful broadband fiber network, crews streamed camera signals back to a central control room at the Jim Parsley Center. Instead of a full broadcast production truck, the only equipment on site were cameras, camera accessories, cables, announcer audio equipment, and portable equipment cases. At the JPC control room, the director, technical director, instant replay operator, producer, graphics operator, and audio operator did their work. The advantages of this style of production are many. First, there is much less wear and tear on equipment, extending its expected life span. Having a centralized control room allows for less setup, saving time and effort. It also allows for more preproduction work, which results in higher-quality broadcasts and more opportunities for the district to share important news with families.
 - For all sports, the district provided prerecorded halftime reports to share district news.

- All broadcasts featured no fewer than 4 cameras, instant replays, live play-by-play and color commentators, and live scoreboard and clock graphics. Larger-scale events, such as football and soccer games, generally utilized 5 cameras to cover the larger space at Kiggins Bowl.
 - In cooperation with the district's video production teachers, the program included more students than ever. More than 40 students participated from 6 different schools.
 - Every sports broadcast was simultaneously streamed to YouTube and Facebook as it aired on Comcast. This approach allows the district's programming to be as accessible to as many audiences as possible, while also encouraging user engagement.
- The district worked with individual school sites to produce The Student Report, a collection of short news-style programs produced by and about students across the district. The programming block included the following "shows."
 - Sacajawea Elementary continued its outstanding show "Skyhawk News," which stars the school's 5th graders. The show is produced by 5th grade teacher Jeff Lee, a talented teacher and video producer who volunteers dozens of hours a year to edit and produce the show.
 - CR News, which is produced by students in teacher Janine Blackwell's video production classes, is a news-style show about Columbia River High School.
 - "Bay Watch" is a news program produced by students in teacher Randy Howard's video production classes.
 - "Fort Stories" is a talk show produced by students in teacher Chad Young's classes at Fort Vancouver High School.
 - The Student Report also included segments submitted by Gaiser, Jason Lee and Thomas Jefferson Middle Schools.
 - Vancouver Public Schools continued the VPS Power Half Hour in 2017. This programming block features mini-shows featuring teachers and staff from the district. Shows include:
 - The Greenhouse: gardening with Fort Vancouver High School teacher Toree Hiebert.

- Stu Tube: a look back at the history of the district through vintage video productions.
 - VPS Success takes inspiration from social media as a storytelling device. Using Twitter, Facebook, or Instagram as a launching point, the show profiles students and staff. It's an opportunity to learn more about the people and programs that make the district a good place for students, in a longer format than a typical news story.
 - Two Cool Science Chix is a fun science experiment show produced by the district along with Melle Soles, the dean of students at King Elementary School. She teams up with her granddaughter, Akyah, a student at King, to show kids how to do simple, fun, and safe science experiments at home.
- The Young Filmmakers Project continued in 2017. This show features films produced by students, using PEG and school district-purchased equipment. YFP is a platform to show how PEG dollars are directly improving student experiences, and also gives students an outlet for their creative work. In addition, it gives the community a peek into what students are learning in their Video Production classes. Each episode features an interview with student filmmakers. Teachers report that the show has boosted student excitement about their schoolwork.
- The district has continued to invest career and technical education (CTE) dollars into upgrades of studio and field production equipment as well as maintenance and repair, thereby leveraging funds from multiple sources to build and sustain strong video and television production programs. Using district-purchased and PEG gear, all district high schools produced concerts, dance performances, sports, and other events in HD for broadcast on Comcast.
- The district spent the first two months of 2017 educating the public about its bond measure, which voters approved in February. This included segments in its regular programming, along with educational videos about specific school projects that would begin with the passage of the bond. In part due to the district's outreach efforts, voters approved the bond with a historic 69.82% "yes" vote. The bond will rebuild several outdated schools and update every school in the district. After the passage of the bond, the district began the next phase of its bond-related programming: educating the public about the work taking place. In almost every district-produced news program, community members can see updates on projects large and small, paid for with their bond dollars. The district takes

seriously its obligation to transparently conduct its business, so that community members can see how their bond money is being spent.

- The district produced dozens of Facebook-only short news videos in a series entitled "Quick Look." These reports were intended to be as timely as possible, delivering school news directly to community members. Each Quick Look video consistently earned 1,000 or more views, with many reaching much higher. During the final week of school, the district released three video profile pieces, each reaching more than 20,000 views.

2017 YEAR IN REVIEW

- In the 2017-2018 school year, Evergreen Public Schools and its Video Services/Community Relations team, along with participating digital arts students and instructors at Evergreen High School, Mountain View High School, Heritage High School, and Union High School provided dozens of hours of television programming to TV ETC.
- As in years past, a growing number of students took part in Evergreen Public Schools programming – learning real-world video production skills in live, remote location, and studio settings. Students assisted with the production of dozens of sporting events (football, volleyball, soccer, basketball, and track), District-sponsored concerts, our periodic studio music showcase, and guest lectures. Student assistance was also instrumental in producing several informational programs about the district’s successful “Envision Evergreen” facilities bond, the largest school construction bond in Washington state in 2018. Evergreen Public Schools will again broadcast live graduation ceremonies from McKenzie Stadium. Additionally, video production students took the lead in producing special programs including several student artist showcases, the Evergreen High School Talent Show, an Evergreen High School choir concert, and a charity basketball game featuring The Harlem Wizards. The District continued its partnership with the Southwest Washington Wind Symphony – broadcasting several annual concerts by this local non-profit symphony. Evergreen Public Schools continues to be the only school district in Clark County to televise its School Board Meetings.
- 2017-2018 also marked another successful year for Evergreen Public Schools’ Video Production Internship program. Student interns from Mountain View High School, Union High School, and Evergreen High School worked alongside Video Services staff to create new content as well as provide production assistance on our live and tape-delayed field productions. Student interns are exposed to a

wide variety of video production tasks to prepare them for possible careers in video production.

Featured programs from the 2017-2018 school year:

["The Harlem Wizards vs. The Hoopsters"](#) – The world-famous Harlem Wizards, a traveling show basketball team, took on The Hoopsters at Union High School. The Hoopsters were a team made up of Evergreen Public Schools staff and members of our wider school community. The comedic game was a fundraiser for the Harmony Elementary School P.T.A.

["Southwest Washington Wind Symphony: Women of Note"](#) – Evergreen Public Schools continued its long-running partnership with the Southwest Washington Wind Symphony, presenting multiple concerts by this local non-profit symphony.

["Envision Evergreen: Replacing Five Aging Elementary Schools"](#) – This program is one of several created to help inform the public about Evergreen Public Schools' Envision Evergreen Facilities Bond. The programs, and their role in educating the public about the bond measure, played a critical role in the bond's eventual passage by voters.

["EPS Sports: Mt. View vs. Evergreen Varsity Football"](#) – Each year, the production quality of our EPS Sports franchise takes a leap forward, with the installation and implementation of new video equipment and graphics programs. Student involvement in the production of our EPS Sports broadcasts remains at a record high.

["Evergreen Public Schools Theater Festival"](#) – The Evergreen Public Schools Theater Festival is among many of the long-form productions produced by students and teachers at the school-level.

RESOLUTION NO. M-3972

A RESOLUTION relating to cable television and to the designation of Clark Vancouver Television (“CVTV”) as the government access provider on the Comcast and CenturyLink cable systems for Vancouver and Clark County.

WHEREAS, Section 9 of the June 1, 2013 cable television franchise agreement between Comcast of Washington, V LLCC (“Comcast”), the City of Vancouver (“City”) and Clark County (“County”) and Section 9 of the January 22, 2016 cable television franchise agreement between Qwest Broadband Services, Inc. d/b/a CenturyLink (“CenturyLink”) the City and County, allows the Grantor (City and County) to designate authorized entities to manage the Public, Educational and Government (“PEG”) Access use channels on the cable system; and

WHEREAS, the City and County jointly fund and operate three access channels on the local cable system, Clark Vancouver Television (“CVTV”); and

WHEREAS, all designated access providers (public, educational, and government) are evaluated and reviewed annually by the City County Telecommunications Commission (“Commission”); and

WHEREAS, CVTV submitted an application to the Commission on April 26, 2018 seeking to be re-designated as the government access provider; and

WHEREAS, the Commission reviewed the application on June 6, 2018 and finds that CVTV has fully complied with the criteria and expectations for the government access provider and recommends that the Vancouver City Council and Clark County Board of County Councilors designate CVTV as the government access provider for Vancouver and Clark County for the next year.

RESOLUTION - 1

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY OF VANCOUVER:

Section 1. As recommended by the City/County Telecommunications Commission in Resolution 2018-03 attached hereto as Exhibit “A”, Clark Vancouver Television is hereby designated as the government access provider on the Comcast and CenturyLink cable systems in Vancouver and Clark County.

Section 2. CVTV will continue be allocated three channels, channels 21 and 23 and high definition channel 323, on the Comcast cable system and channels 8020, 8021 and high definition channels 8520 and 8521 on the CenturyLink cable system for government access use.

Section 3. CVTV will be eligible to apply for and receive PEG Capital Support Funds pursuant to Ordinances M-3335 and M-3372.

Section 4. Acts taken pursuant to this resolution but prior to its approval are hereby ratified and confirmed.

ADOPTED at regular session of the Council of the City of Vancouver, on this 25th day of June, 2018.

Anne McEnery-Ogle, Mayor

RESOLUTION - 2

City/County Telecommunications Commission

RESOLUTION 2018-03

Regarding Annual Review of Government Access Programming and Re-Designation of City/County Cable Television Office as Government Access Cable Provider

Section 1. Findings

- 1.1 Section 9 of the cable television franchise agreement, effective June 1, 2013, between Comcast of Washington, V LLCC (“Comcast”), the City of Vancouver (“City”) and Clark County (“County”) requires that the Grantor (City and County) designate authorized entity or entities to manage or co-manage the Public, Educational and Government (“PEG”) Access use channels on the cable system.
- 1.2 The City and County jointly fund and operate two access channels on the local cable system (Clark/Vancouver Television – CVTV) which is the designated local government access channel. The Commission originally approved the designation under the cable television franchise agreement via Resolution 1998-04 on February 18, 1998.
- 1.3 All designated access providers (public, educational, and government) will be evaluated and reviewed annually by the Commission consistent with the provisions of Section 9 of the cable franchise agreement, Section 5.19.300 of the Vancouver Municipal Code and Clark County Code 36.12.160 and Section 1.6 of this Resolution.
- 1.4 The City/County Cable Television Office submitted an application to the Commission seeking designation as the authorized government access provider on April 26, 2018 (attached as EXHIBIT A).
- 1.5 The Commission reviewed the City/County Cable Television Office’s request for re-designation and representatives from City/County Cable Television Office made a presentation to the Commission on June 6, 2018, in support of the re-designation and to review government programming on CVTV.
- 1.6 The performance criteria for government access designation includes but is not limited to the following:
 - a) Number of hours of locally produced original video programming/week per channel;
 - b) Number of hours of locally scheduled video programming/week per channel;
 - c) Number of days and hours per week the channel is programmed with locally produced and locally scheduled video programming;
 - d) Amount of operating budget which meets or exceeds the criteria of operating funds to capital funds established in section 9.6 of the franchise agreement with Comcast Corporation;
 - e) Extent to which locally produced and locally scheduled video programming focuses on the designated access category;

- f) Extent to which the locally produced and locally scheduled video programming provides value added to cable television subscribers in meeting the demonstrated needs established in the community ascertainment study.

- 1.7 The Commission finds that the City/County Cable Television Office, as the designated access provider for government since June 7, 2017, has fully complied with the criteria and expectations for designation (as documented in the CVTV Annual Production Reports 2017 – EXHIBIT B) and recommends that the designation should remain in effect in accordance with the originally established criteria.

NOW THEREFORE BE IT RESOLVED:

Section 2.

- 2.1 The City/County Telecommunications Commission, through this Resolution recommends, the continued designation of the City/County Cable Television Office as the government access provider for the Comcast cable system, subject to annual review by the Commission as outlined in Section 1.3 and Section 1.6 of this Resolution.
- 2.2 The Commission recommends that the City/County Cable Television Office continue to be allocated three channels, channels 21 and 23 and high definition channel 323, on the Comcast cable system for government access use.
- 2.3 Staff is directed to forward this Resolution to the Vancouver City Council, and the Clark County Council.

CLARK/VANCOUVER TELEVISION UNDERWRITING GUIDELINES

April 16, 2004

Goals:

- To increase and enhance programming on Clark/Vancouver Television, CVTV Cable Channel 23;
- To build business relationships in Vancouver and Clark County;
- To recover costs for video production.

Overview:

The City/County Cable Television Office ("Cable TV Office") serves as the designated government access provider for the Comcast cable television system in Vancouver and Clark County, operating Clark/Vancouver Television, CVTV Cable Channel 23. The Cable TV Office receives operational funding from the general funds of the City of Vancouver and Clark County. Due to operational budget constraints, the Cable TV Office may seek underwriting funds from area businesses to provide coverage of community events. In addition, funding may be sought to offer enhanced programming for Comcast cable subscribers.

Underwriting Guidelines:

The Cable TV Office shall seek financial support from commercial entities (i.e. underwriting) for the production of programming on Clark/Vancouver Television subject to the following conditions:

- a) Such support within any program shall not make use of the word "sponsor";
- b) All underwriting money must be paid directly to the City of Vancouver or Clark County;

"Because you need to know"

2017 Annual Report

Mission

Clark/Vancouver Television (CVTV) is the local government access channel funded by the City of Vancouver and Clark County to serve as a communications vehicle for the City and County.

CVTV operates on Comcast Cable and CenturyLink Cable, as well as video streaming on cvtv.org.

For the past 34 years, our primary mission has been, and continues to be, to provide quality programming by and about City and County government for the citizens of Vancouver/Clark County.

We are, first and foremost, Vancouver/Clark County's "window on local government."

2017 Accomplishments

- Upgraded the Port of Vancouver booth and equipment to be fully HD and added video cameras to the training room at the County Public Service Center to enhance CVTV coverage. The equipment was purchased with PEG Grant funds.
- Expanded CVTV's reach through social media platforms, such as Facebook.
 - Started going live on Facebook for the State of the City event as well as Primary and General Election Nights.
 - 172 short-content videos were posted to Facebook with 412,900 views (up 94 percent from 2016).
- Won national programming awards:
 - *Storm Drain Murals video*—2nd Place, National Association of Telecommunications Officers and Advisors (NATOA) award
 - *Ditch the Wood Stove*—1st Place, 3CMA. This PSA was produced by CVTV for the City of Vancouver's non-profit partner SW Cleaner Air Agency.
- Produced 433 programs equating to 445 hours of original, local programming.
- Produced 22 elections programs including LIVE primary and general election night coverage and commentary.

Programming Highlights

Kaiser Shipyard – Vancouver, Washington

A 13-minute documentary about the Kaiser Shipyard. The program includes interviews with past shipyard workers and local historians.

Inside the City

Series of short videos highlighting a variety of city positions to educate the public about what city employees do to make Vancouver a great place to work, live and play.

Real Vancouver

A mini-documentary style series which introduces viewers to the people, places and history that makes our community uniquely Vancouver.

Election Programming

CVTV provides candidates' debates, forums, one-on-one candidate interviews and live primary and general election results every election season.

SUBJECT Acceptance of Donation of the Sculpture Garden Art Collection

Key Points

- The City, Community Foundation for Southwest Washington (Foundation) and Fort Vancouver Regional Libraries (FVRL) have agreed to relocate the four pieces of outdoor art from the Sculpture Garden on Broadway to the grounds of the Community Library where they will be more accessible to the public.
- The City's ownership of the art, which was donated by Mary Granger through the Foundation, was never documented.
- Council is being asked to adopt a resolution accepting the donation of the art and indemnifying the Foundation and FVRL from liability and claims resulting from the collection being located at the Community Library.

Strategic Plan Alignment

Goal 8, Objective 8.1: Make downtown Vancouver a vibrant destination for the community and the region.

Present Situation

The City, Foundation and FVRL have agreed to relocate the four-piece Sculpture Garden Collection, currently located at 805 Broadway, to the grounds of the Community Library at 901 C Street where it will be more accessible to the public. The City will be responsible for relocating the art and will continue to be responsible for its maintenance.

In 1997, the Sculpture Garden on Broadway was officially designated by the City. Community leader Mary Granger and the Granger Family, working through the Community Foundation, donated four pieces of art for the garden. While the City has been maintaining and insuring the art since 1997, the donation of the collection to the City was never documented. As part of the process of relocating the artwork to the Community Library property, the Council is being asked to adopt a resolution accepting the donation of the collection and indemnifying the Foundation and

FVRL against any claims and liability resulting from the collection being located at the library.

Advantage(s)

1. Confirms City ownership of the Sculpture Garden Collection.
2. Demonstration of ownership is necessary to allow the City to relocate the art to the grounds of the Community Library.
3. The resolution indemnifies both the Foundation and FVRL against liability and claims resulting from the collection being located at the Library.

Disadvantage(s)

None

Budget Impact

There will be a cost to relocating the art including moving expenses, new bases, lighting and signage. As part of the relocation the artwork, which has not been well maintained, will be restored by an art conservator. Estimated budget for this project is \$42,000. The Community Foundation has offered to assist with raising funds for this project. The City Managers Office currently has sufficient budget appropriations to pay for the portion of the costs that are not raised by the Community Foundation.

Prior Council Review

None

Action Requested

Adopt a resolution accepting the donation of the Sculpture Garden Art Collection from the Community Foundation for Southwest Washington.

RESOLUTION NO. M-_____

A RESOLUTION accepting a donation of four works of public art, referred to as the Sculpture Garden Collection (Collection) from the Community Foundation for Southwest Washington (Foundation) to be used for public display in downtown Vancouver, WA.

WHEREAS, the concept for a downtown sculpture garden was initiated by community leader Mary Granger and supported by the City of Vancouver and the Foundation; and

WHEREAS, on September 15, 1997 the City Council officially designated the 9th Street Plaza, at 805 Broadway as the “Sculpture Garden on Broadway”; and

WHEREAS, the Collection contains four works of art, the Winged Woman by Elizabeth Kohler; Glyph Singer No. 3 by James Lee Hansen; Spike Flower by Manuel Izquierdo and Wheel Series 1998 by Don Wilson, and

WHEREAS, the purpose of this Resolution is to set forth the obligations of the City and Foundation with respect to the ownership, maintenance and liability associated with four works of art, collectively the Collection, and

WHEREAS, it is the intention of the City, the Foundation, and Fort Vancouver Regional Libraries (FVRL) that the Collection be owned and maintained by the City; and

WHEREAS, the City has been maintaining the Collection since the Sculpture Garden’s inception in 1997, however, the transfer of ownership was not fully documented; and

WHEREAS, the City, Foundation and the FVRL have agreed to relocate the Collection to the grounds of the Community Library at 901 C. Street, where it will be more accessible to the public; and

RESOLUTION - 1

WHEREAS, the City, in collaboration with the Foundation and FVRL, shall design and install on the Community Library grounds signage identifying each piece of art and signage recognizing the project donors, and

WHEREAS, with the move of the Collection to a new location, the City and Foundation wish to clarify the ownership.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY OF VANCOUVER:

Section 1. The City agrees to indemnify, defend, save and hold harmless the Foundation and FVRL, its officials, employees and agents from any and all liability, demands, claims, causes of action, suits or judgments, including costs, attorney fees and expenses incurred in connection therewith arising out of, or in connection with the Collection being located on the Community Library property except to the extent that such liability arises from the sole negligence of FVRL or the Foundation, and if caused by or resulting from concurrent negligence, only to the extent of the City's negligence.

Section 2. In the event that any suit based on such a claim, demand, loss, damage, cost, or cause of action is brought against the Foundation or FVRL, and if the City's duty to defend and indemnify is triggered, the City specifically reserves the right to exercise control over the litigation and defense in said action.

Section 3. Consistent with the City's Donation Acceptance Policy, the City hereby accepts the donation of the Collection, consisting of the four pieces of public art described above, from the Foundation.

RESOLUTION - 2

Section 4. The City Manager is hereby authorized to execute agreements and other documents to effectuate this transaction.

DATED this _____, of _____, 2018.

SUBJECT Approval of Benefits Broker Contract

Key Points

- Vendor has the ability to meet the City's wellness and self-insurance needs.
- Vendor contract will be inclusive of all services requested with the ability to add additional services, if needed. Vendor is willing to put 10% of the annual contract at risk if they don't meet the performance standards determined by the City.

Strategic Plan Alignment

N/A

Present Situation

The contract is with a benefits broker, which provides the City with guidance related to health care and other insurance benefit decisions. The City conducted a competitive Request for Proposals (RFP) process to select its new benefits broker. Four responsive proposals were received. All four vendors were invited for interviews. These vendors were then interviewed by a panel comprised of staff from the City Manager's Office, Human Resources, Finance, Law and a representative from the Vancouver Housing Authority. Human Resources and Law staff then conducted reference checks on the top vendor. Davidson Benefits Planning was recommended as the preferred Agent of Record/Benefits Broker.

Advantage(s)

1. The City will be able to continue to operate with an established professional services agreement.
2. No new dollars requested; contract is less than current Agent of Record/Benefits Broker

contract.

Disadvantage(s)

There are no known disadvantages.

Budget Impact

None. Sufficient budget is appropriated in the Benefits budget for this contract, which will be a flat fee of \$79,300 annually for the first three years of the contract.

Prior Council Review

None.

Action Requested

Authorize the City Manager or his designee to sign a Professional Services Agreement for Agent of Record/Benefits Broker services with Davidson Benefits Planning for July 1, 2018, through June 30, 2021, with the option to renew at the discretion of the City for up to two (2) additional years, for an amount not to exceed \$500,000 over the next 5 years.

CITY OF VANCOUVER
PROFESSIONAL SERVICES AGREEMENT No. _____
AGENT OF RECORD/BENEFITS BROKER

This Agreement by and between the City of Vancouver, a municipal corporation, under the laws of the State of Washington, hereinafter referred to as "City" and Davidson Benefits Planning, an Alera Group Agency, LLC hereinafter referred to as "Contractor", whose address is 7632 SW Durham Rd, Ste. 115, Tigard, OR 97224.

WHEREAS, the City desires to engage the Contractor to serve as agent of record and benefits consultant for insured and self-insured employee benefit programs and other related services on an as needed basis. Contractor has agreed to offer its professional services to perform said work per City issued Request for Proposal (RFP) No. 11-18, Contractor's proposal to said RFP; and City Council's approval on _____ of Staff Report No. _____; and

WHEREAS, the Contractor has represented by entering into this Agreement that it is fully qualified to perform the work to which it will be assigned in a competent and professional manner, and to the standards required by City.

NOW, THEREFORE, IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

The City hereby agrees to engage the Contractor and the Contractor hereby agrees to perform, in a satisfactory and proper manner, as determined by the City, the services hereafter set forth in connection with this Agreement:

1. Statement of Work.

Contractor agrees to serve as agent of record and benefits consultant for insured and self-insured employee benefit programs per RFP No. 11-18 and provide all services as enumerated in Contractor's response to said RFP on file in City of Vancouver Procurement Services both of which by reference hereto made a part of this Agreement. All work and deliverables must be acceptable to the City, at the sole discretion of the City.

Services provided shall include, but not be limited to: Strategic Planning; Plan Management- Financial Evaluations/Recommendations; Plan Utilization Analysis; Health & Welfare Plan Marketing, Reporting & Compliance including HIPAA.

All work must be authorized and approved by the City's Project Manager in writing before any work begins. Contractor shall approach this project in a manner consistent with its customary practice. Contractor shall actively seek collaborative input from City staff.

Compensation is limited to the amount specified for all work performed, unless amended per Section 15 of this Agreement. For each contract year, as a performance incentive, Contractor will discount the fees listed in this contract by 10%. Contractor will invoice the City 90% of the fee stated in this document. At the completion of each year the balance of the performance incentive (10% of listed fee) will be paid to Contractor if City determines complete satisfaction with the services provided by Contractor.

The performance criteria used by the City in determining satisfaction with Contractor's services shall be established within the first forty-five (45) days of the contract. The City will include up to five (5) criteria, and the percentage of the incentive assigned per criteria.

The result of the performance incentive will be determined solely by the City. Evaluation of each criterion will be assigned a rating of 1-5 and based on the following scores:

1. Performance did not meet requirements.
2. Performance met some but not all requirements.
3. Performance met requirements.
4. Performance met and exceeded some requirements.
5. Performance consistently exceeded requirements.

Contractor must score at least a 3 on all criteria to receive the performance incentive payment.

The City expects Contractor to complete all work authorized according to the mutually agreed upon timetable. Compensation may be amended, at the City's sole discretion, for documentable circumstances not reasonably foreseeable to either party for changes to the Scope of Work.

Contractor is solely responsible for its staff's travel time in all circumstances, including travel to and from the City of Vancouver.

This agreement is a purchase of professional services, including all labor, materials, supplies, fees and all other related expenses, at the annual cost not to exceed the amount listed in the table included below. Payment for these services shall not exceed \$405,900, aggregate, unless authorized in writing by the City, according to Section 7 of this Agreement. If additional time is needed, please refer to Section 6 of this agreement. A written amendment must be attached.

Total Annual Fees per Year

Year 1	\$79,300
Year 2	\$79,300
Year 3	\$79,300
Year 4	\$84,000
Year 5	\$84,000

By definition, Year 1 in the above table commences on the effective date listed in Section 5 of this Contract. Each successive year shall begin on the anniversary date of the Contract.

2. Order of Precedence.

Where there is a conflict among or between any of these documents, the controlling documents shall be the first listed in the following sequence: Amendments to this Agreement; this Agreement; Purchase Orders; Contractor's submitted proposal to RFP No. 11-18 and RFP No. 11-18.

3. Relation of Parties.

The Contractor, its subconsultants, agents and employees are independent contractors performing professional services for City and are not employees of City. The Contractor, its subcontractors, agents and employees, shall not, as a result of this Agreement, accrue leave, retirement, insurance, bonding or any other benefits afforded to City employees. The Contractor, subconsultants, agents and employees shall not have the authority to bind City in any way except as may be specifically provided herein.

4. E-Verify.

Contractor shall register and enter into a Memorandum of Understanding (MOU) with the Department of Homeland Security E-Verify program within sixty (60) days after execution of this Agreement. Contractor shall ensure all Contractor employees and any sub-contractor(s) assigned to perform work under this Agreement are eligible to work in the United States. Contractor shall provide verification of compliance upon City request. Failure by Contractor to comply with this subsection shall be considered a material breach.

5. Time of Performance.

The service of the Contractor is to commence as of July 1, 2018. It is agreed services hereunder shall be completed by June 30, 2021. At its sole discretion, the City reserves the right to offer Contract extensions to the service provider for a period of up to two (2) additional years, at the prices set forth in Section 1 for Service Years four (4) and five (5).

6. Delays and Extensions of Time.

If the Contractor is delayed at any time in the progress of providing services covered by the Agreement, by any causes beyond Contractor's control, the time for performance may be extended by such time as shall be mutually agreed upon by Contractor and City and shall be incorporated in a written amendment to this Agreement. Any request for an extension of time shall be made in writing to City.

7. Compensation and Schedule of Payments.

City shall pay the Contractor at the amounts indicated in Section 1 for work performed under the terms of this Agreement. This is the maximum annual amount to be paid under this Agreement and it shall not be exceeded without City's prior written authorization in the form of a negotiated and executed amendment. Such payment shall be full compensation for work performed or services rendered and for all labor, materials, supplies, equipment and incidentals necessary to complete the project as set forth herein, except as listed below:

- Technology (HRIS) Consulting Services
- Extensive ERISA/Legal Services
- Actuarial Certification

- Payment of health plan/vendor claims, administrative fees and premium
- Communication printing fees
- Travel outside the Pacific Northwest

Compensation for these services shall be based on the written Scope of Work mutually agreed to in advance of the authorization by the City to proceed with the work.

The Contractor shall submit monthly invoices for an amount equal to not more than one twelfth (1/12) of the amount listed in Section 1 “Total Annual Fees”, less the 10% performance incentive, for the year in which billing is occurring in addition to any extra work in those areas listed above to the City for services provided for the previous month. Payments to Contractor shall be net 30 days. The City reserves the right to correct any invoices paid in error according to the rates set forth in this Agreement. City and Contractor agree that any amount paid in error by City does not constitute a rate change in the amount of the contract. The City’s contract/purchase order (PO) number given on the notice to proceed **must** be referenced on any invoice submitted for payment.

8. Ownership of Records and Documents.

Any and all work product prepared by the Contractor in the course of performing this Contract shall immediately become the property of the City. In consideration of the compensation provided for by this Agreement, the Contractor hereby further assigns all copyright interests in such work product to the City. A copy may be retained by the Contractor. Previously owned intellectual property of Contractor, and any know-how, methodologies or processes used by Contractor to provide the services or project deliverables under this Contract shall remain property of Contractor.

9. Termination.

The City, at its sole discretion, may terminate this contract for convenience at any time for any reason deemed appropriate. Termination is effective immediately upon notice of termination given by the City.

In the event this Agreement is terminated prior to the completion of work, Contractor will only be paid for the hours completed at the time of termination of the Agreement.

10. Evaluation and Compliance with the Law.

The Contractor shall have the authority to control and direct the performance and details of the work described herein. The Contractor agrees to comply with all relevant, federal, state and municipal laws, rules and regulations.

11. City Business and Occupation License.

Contractors will be required to obtain a business license when contracting with the City of Vancouver, unless allowable exemptions apply. Businesses/Contractors shall contact the State of Washington Business License Service (BLS) at: <http://bls.dor.wa.gov/file.aspx>, telephone 800-451-7985, or go to www.bls.dor.wa.gov/cities/vancouver.aspx or www.cityofvancouver.us/businesslicense, to determine whether a business license is required pursuant to VMC Ch. 5.04.

12. Liability and Hold Harmless.

Contractor agrees to indemnify, defend, save and hold harmless the City, its officials, employees and agents from any and all liability, demands, claims, causes of action, suits or judgments, including costs, attorney fees and expenses incurred in connection therewith, of whatsoever kind or nature (including patent infringement or copyright claims) to the extent arising out of, or in connection with, or incident to, the negligent performance or willful misconduct pursuant to this Agreement. This indemnity and hold harmless shall include any claim made against the City by an employee of Contractor or subcontractor or agent even if Contractor is thus otherwise immune from liability pursuant to the workers' compensation statute, Title 51 RCW, except to the extent that such liability arises from the concurrent negligence of both the City and the Contractor, such cost, fees and expenses shall be shared between the City and the Contractor in proportion to their relative degrees of negligence. Contractor specifically acknowledges the provisions contained herein have been mutually negotiated by the parties and it is the intent of the parties that Contractor provide the broadest scope of indemnity permitted by RCW 4.24.115. Contractor is an independent contractor and responsible for the safety of its employees.

13. Insurance.

Contractor shall obtain and keep in force during the entire term of this agreement, liability insurance against any and all claims for damages to person or property which may arise out of the performance of this Contract whether such work shall be by the Contractor, subcontractor or anyone directly or indirectly employed by either the Contractor or a subcontractor.

a. **Liability Insurance.** Contractor shall maintain commercial General Liability insurance with a limit of not less than one million dollars (\$1,000,000) for each occurrence and not less than one million dollars (\$1,000,000) combined single limit automobile liability coverage. The policy shall include coverage for bodily injury, broad form property damage, personal injury, products and completed operation and blanket contractual coverage including, but not limited to, the liability assumed under the indemnification provisions of this Agreement. All liability insurance required herein shall be under a comprehensive or commercial general liability and business, policies.

b. **City Listed as an Additional Insured:** The City of Vancouver, its agents, representatives, officers, directors, officials, and employees must be named as an additional insured on the Commercial General Liability policy and shown on the certificate as an additional insured. A copy of the additional insured endorsement CG 20 10 11 85, or its equivalent CG 20 10 07 04 and CG 20 37 07 04 must be included with the certificate of insurance.

c. The commercial general liability policy must be endorsed to include "Washington Stop Gap" insurance. The limits and aggregates referenced must apply to the Stop Gap coverage as well. This must be indicated on the certificate.

d. **Worker's Compensation.** Contractor shall carry workers' compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Contractor's employees engaged in the performance of the work or services; and, Employer's Liability insurance of not less

than one million dollars (\$1,000,000) for each accident, five hundred thousand dollars (\$500,000) for each disease for each employee, and one million dollars (\$1,000,000) for each disease policy limit.

e. Umbrella Liability. The Contractor shall provide Umbrella Liability coverage at limits of not less than two million dollars (\$2,000,000) per occurrence and annual aggregate. This umbrella liability coverage shall apply, at a minimum, to both the Commercial General and Auto insurance policy coverage. This requirement may be satisfied instead through the Contractor's primary Commercial General and Automobile Liability coverage, or any combination thereof.

f. Professional Liability. The Contractor shall obtain and keep in force during the entire term of this Agreement, professional liability insurance (errors and omissions) against any and all claims for damages to person or property which may arise out of the performance of this Contract whether such work shall be by the Contractor, subcontractor or anyone directly or indirectly employed by either the Contractor or a subcontractor. The amount of coverage provided by such insurance shall be not less than three million dollars (\$3,000,000) combined single limit.

g. Cyber Liability Insurance. Contractor shall obtain and keep in force during the entire term of this Agreement, cyber liability insurance covering claims involving privacy violations, data breach, information theft, damage to or destruction of electronic information, intentional and/or unintentional release of private information, and alteration of electronic information, extortion and network security. The amount of coverage provided by such insurance shall be not less than five million dollars (\$5,000,000) combined single limit.

i. Employment Security. The Contractor shall comply with all employment security laws of the state in which services are provided, and shall timely make all required payments in connection therewith.

j. The City of Vancouver shall be listed on the Certificate as the Certificate Holder.

k. Coverage Trigger: The insurance must be written on a "occurrence" basis. This must be indicated on the certificate. Claims made policies will be accepted for professional liability coverage only.

Contractor shall provide evidence of all insurance required, at the City's request, by submitting an insurance certificate to the City on a standard "ACORD" or comparable form.

14. Notices.

All notices which are given or required to be given pursuant to this Agreement shall be hand delivered or mailed postage paid as follows:

15. Amendments.

All changes to this Agreement, including changes to the statement of work and compensation, must be made by written amendment and signed by all parties to this Agreement.

16. Scope of Agreement.

This Agreement incorporates all the agreements, covenants and understanding between the parties hereto and are merged into this written Agreement. No prior agreement or prior understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless set forth in this Agreement.

17. Ratification.

Acts taken pursuant to this Agreement but prior to its effective date are hereby ratified and confirmed.

18. Governing Law/Venue.

This Agreement shall be deemed to have been executed and delivered within the State of Washington, and the rights and obligations of the parties hereunder shall be construed and enforced in accordance with, and governed by, the laws of the State of Washington without regard to the principles of conflict of laws. The contractor shall have legal authority to enter into this agreement and be at least 18 years of age. Any action or suit brought in connection with this Agreement shall be brought in the Superior Court of Clark County, Washington.

19. Cooperative Purchasing:

The Washington State Inter-local Cooperation Act, Ch. 39.34 RCW, authorizes public agencies to cooperatively purchase goods and services if all parties agree. By having executed this Agreement, the Contractor agrees that other public agencies may purchase goods and services under this solicitation or contract at their own cost and without the City of Vancouver incurring any financial or legal liability for such purchases. The City of Vancouver agrees to allow other public agencies to purchase goods and services under this solicitation or contract, provided that the City of Vancouver is not held financially or legally liable for purchases and that any public agency purchasing under such solicitation or contract file a copy of this invitation and such contract in accordance with RCW 39.34.040.

20. Public Disclosure Compliance.

The parties acknowledge that the City is an “agency” within the meaning of the Washington Public Records Act, Ch 42.56 RCW, and that materials submitted by the Contractor to the City become public record. Such records may be subject to public disclosure, in whole or part and may be required to be released by the City in the event of a request for disclosure. In the event the City receives a public record request for any data or deliverable that is provided to the City and that is licensed from the Contractor, the City shall notify the Contractor of such request and withhold disclosure of such information for not less than five (5) business days, to permit the Contractor to seek judicial protection of such information, provided that the Contractor shall be responsible for attorney fees and costs in such action and shall save and hold harmless the City from any costs,

attorney fees or penalty assessment under Ch.42.17 RCW for withholding or delaying public disclosure of such information.

SUBJECT First Amendment to Lease Agreement, Lacamas Insurance Inc.

Key Points

- Lacamas Insurance, Inc. ("Lacamas Insurance") entered a Lease Agreement on January 23, 2014, for 2000 square feet of space located at 5403 East Mill Plain Blvd. in Vancouver.
- The City purchased the property on June 28, 2017, and assumed the rights and obligations under the Lease Agreement.
- City staff and Lacamas Insurance now wish to shorten the duration of the Lease Agreement by executing an amendment.

Strategic Plan Alignment

n/a

Present Situation

Lacamas Insurance is currently renting a free-standing structure in the Town Plaza, located at 5403 East Mill Plain Blvd. The City purchased the Town Plaza and assumed Lacamas Insurance's Lease Agreement on June 28, 2017. The lease has a termination date of February 28, 2019, with three consecutive renewal options of three years each upon the tenant providing written notice of its intent to renew six months in advance.

Lacamas Insurance wishes to end its lease on August 1, 2018. In light of the City's future plans to redevelop the Town Plaza property, as well as the costs associated with maintaining the current buildings, the City has an interest in early termination of the lease. The City also has an interest in ensuring the tenant account, including all amounts due under the Lease Agreement, is paid in full prior to termination of the lease. City staff recommends amending the lease term by executing the First Amendment to Lease Agreement, setting lease termination at midnight on July 31, 2018. City staff will not execute the First Amendment to Lease Agreement unless the tenant account is paid in full through July 2018, including all amounts previously billed for rent due under the Lease Agreement, including the base rent and additional rent for operating expenses, and leasehold tax.

Advantage(s)

- The City will have greater flexibility concerning the structure leased by Lacamas Insurance.
- Because the leased space is a free-standing building, the City will not continue to incur certain costs associated with maintaining the structure.
- Authorizing the City Manager to execute the First Amendment will help ensure timely payment of all amounts that Lacamas Insurance currently owes under the Lease Agreement.

Disadvantage(s)

Loss in rent revenue of approximately \$18,945. Of this amount, \$16,100 is related to rent and \$2,845 is for common area maintenance cost recovery

Budget Impact

There will be no budget impact due to this transaction because the City's costs will not increase and Council authorized the operating and capital budget for this building in the 2017 fall supplemental budget.

Prior Council Review

None

Action Requested

Approve the First Amendment to Lease Agreement between City of Vancouver and Lacamas Insurance, Inc. and authorize the City Manager or his designee to execute the First Amendment once Lacamas Insurance pays all amounts due under the Lease Agreement, through July 31, 2018.

FIRSTAMENDMENT TO LEASE

THIS FIRST AMENDMENT TO LEASE (“First Amendment”), is made and entered into as of July __, 2018 by and between CITY OF VANCOUVER, a Washington municipal corporation (“Landlord”), Lacamas Insurance, Inc., a Washington Corporation (Tenant”).

RECITALS:

A. Tenant and Tower Mall Holdings LLC entered a Lease Agreement dated January 23, 2014 (“Lease Agreement”), whereby Tenant leased 2000 square feet of space in a free standing structure, located in a shopping center commonly known as Town Plaza, 5403 East Mill Plain Blvd., Vancouver, Washington.

D. Landlord is the successor-in-interest to the previous landlords and is the owner of the property leased and interest of the “Landlord” under the Lease Agreement.

G. Tenant and Landlord have agreed to amend the term of the Lease Agreement so that the lease term expires at midnight on July 31, 2018, with no option to renew.

AGREEMENT

IT IS MUTUALLY UNDERSTOOD AND AGREED by and between the Tenant and Landlord:

1. Termination of Lease. Section 1.c. of the Lease Agreement is deleted in its entirety and replaced with the following:

The term of this Lease shall terminate at midnight on July 31, 2018 (the “Termination Date”). Tenant has no option for renewal.

2. All other terms and conditions of the Lease Agreement shall remain in full force and effect.

Landlord and Tenant have executed and delivered this Amendment as of July ___, 2018.

SUBJECT Second Amendment to Lease Agreement, Bethesda Church NW

Key Points

- Bethesda Church NW ("Bethesda Church") entered a Lease Agreement in April 10, 2014, which was amended on March 8, 2016, under which it leases approximately 19,087 square feet in the Town Plaza shopping center, 5403 & 5411 East Mill Plain Blvd.
- The City purchased the property on June 28, 2017, and assumed the rights and obligations under the Lease Agreement.
- City staff and Bethesda Church now wish to shorten the duration of the Lease Agreement by executing a second amendment.

Strategic Plan Alignment

N/A

Present Situation

Bethesda Church is currently renting approximately 19,087 square feet in the Town Plaza shopping center. The City purchased the Town Plaza and assumed Bethesda Church's Lease Agreement on June 28, 2017. The lease has a termination date of August 31, 2021 and, providing Bethesda Church is not in default under the Lease Agreement, includes one option to extend for an additional three-year period if exercised by March 1, 2021.

Bethesda Church and City staff have negotiated a Second Amendment to the Lease Agreement in connection with discussions regarding Bethesda Church's tenant account. In light of the City's future plans to redevelop the Town Plaza property, as well as the costs associated with maintaining the current buildings, the City has an interest in early termination of the lease. City staff recommend amending the lease term by executing the Second Amendment to Lease Agreement, setting the lease termination at midnight on December 31, 2019, with no option to renew. Bethesda Church and the City may agree to a month-to-month tenancy following expiration of the amended lease, depending on the City's plans for the property as of December 2019.

Advantage(s)

The City will have greater flexibility concerning the space leased by Bethesda Church, including the ability to move forward with future plans for the property.

Disadvantage(s)

Potential loss in rent revenue, depending on a couple of variables, including the City's future plans for the property and whether the City and Bethesda Church enter into a month-to-month tenancy agreement after December 31, 2019, if the City's plans remain on hold on that date.

Budget Impact

There is no immediate impact on the budget since Bethesda Church will continue to lease the property as anticipated through the end of 2019 and Council authorized the operating and capital budget for this building in the 2017 second supplemental budget. The operating and capital costs associated with this property after December 31, 2019, will be brought forward to Council as part of the 2019/2020 Biennial Budget adoption.

SECOND AMENDMENT TO LEASE

THIS SECOND AMENDMENT TO LEASE (“Second Amendment”), is made and entered into as of June __, 2018 by and between CITY OF VANCOUVER, a Washington municipal corporation (“Landlord”), BETHESDA CHURCH NW, a Washington non-profit Corporation (Tenant”), and GEORGE ELLIOT, an individual, and MIKE STRAUP, an individual (collectively “Guarantors”).

RECITALS:

A. Bethesda Church NW and Tower Mall Holdings LLC entered a Lease Agreement dated April 10, 2014 (“Lease Agreement”), which was amended by a First Amendment to Lease dated March 8, 2016, between 5403 & 5411 East Mill Plain Boulevard Holdings, LLC, Bethesda Church NW, George Elliott and Mike Straup (“First Amendment to Lease”).

B. Under the Lease Agreement, as amended by the First Amendment to Lease, Tenant leases approximately 19,087 square feet in a shopping center commonly known as Town Plaza with an address of 5403 & 5411 East Mill Plain Blvd., Vancouver, Washington.

C. Guarantors guaranteed the obligations of Tenant under the Lease Agreement and First Amendment to Lease.

D. Landlord is the successor-in-interest to the previous landlords and is the owner of the property leased and interest of the “Landlord” under the Lease Agreement and First Amendment to Lease.

G. Tenant and Landlord have agreed to amend the term of the Lease Agreement, as amended by the First Amendment to Lease, so that the lease term expires on December 31, 2019, with no option to renew.

AGREEMENT

IT IS MUTUALLY UNDERSTOOD AND AGREED by and between the Tenant, Landlord, and Guarantors:

1. Termination of Lease. The duration of the Lease Agreement, as amended by Section 1 of the First Amendment to Lease, is hereby reduced by 20 months. The Termination Date is now December 31, 2019. Any holding over by the Tenant after December 31, 2019 shall be at the sole discretion of Landlord and shall be as tenant from month-to-month only.

2. No Renewal Option. Upon expiration of the lease term on December 31, 2019, Tenant shall have no option to renew the lease. Section 7 of the First Amendment to Lease is deleted in its entirety.

Landlord, Tenant and Guarantors have executed and delivered this Amendment as of June __, 2018.

SUBJECT 5th Plain Creek Station Annexation

Key Points

- Annexation of 33.69 acres along the northern border on Fourth Plain Boulevard generally between Ward Road and NE 156th Avenue.
- Reaffirming proposed Comprehensive Plan and zoning designations to become effective upon annexation.

Strategic Plan Alignment

Goal 1: Ensure our built urban environment is one of the safest, most environmentally responsible and well maintained in the Pacific Northwest.

Goal 1, Objective 1.2: Ensure our infrastructure, including buildings and utilities, is safe, environmentally responsible and well maintained.

Goal 1, Objective 1.1: Develop and maintain a safe, balanced and innovative transportation system that will meet the needs of future generations.

Present Situation

The proposed annexation area is located within Vancouver's urban growth boundary, and is contiguous to the City of Vancouver along the northern border on Fourth Plain Boulevard generally between Ward Road and NE 156th Avenue. This annexation request contains one parcel of approximately 33.69 acres and also includes the 152nd Avenue right-of-way abutting the site to the west. The applicant proposed to change the Comprehensive Plan and zoning designations for the site.

Council first met with the applicant on January 8, 2018, and passed Resolution M-3957 to proceed. The applicant then applied to change the site Comprehensive Plan and zoning designation with an associated development agreement through the Planning Commission. The

Planning Commission recommended approval to City Council through a public hearing held on March 13, 2018. City Council approved the Comp Plan / zone change Ordinance M-4231 on May 21, 2018.

Advantage(s)

1. Supports request of property owner annexation request.
2. Annexes into the City an area where the City is already providing fire, water and sewer services.
3. Proposed area is expected to positively impact the City's financial situation.
4. Ensures future development will conform to City development standards.

ORDINANCE NO. _____

AN ORDINANCE relating to the approval of the 5th Plain Creek Station annexation pursuant to RCW 35.13.150; establishing the geographic extent, confirming the comprehensive plan and land use designations, and determining the assumption of all or any portion of existing city indebtedness; accepting the certified petition supporting annexation; and providing for an effective date for the annexation.

WHEREAS, pursuant to RCW 35.13.005, no city located in a county in which urban growth areas have been designated under RCW 36.70A.110 may annex territory beyond an urban growth area; and,

WHEREAS, pursuant to Chapter 36.70A RCW, the City of Vancouver has an urban growth area designated under the Growth Management Act; and,

WHEREAS, the proposed annexation area is in Vancouver's urban growth boundary, and is contiguous to the City of Vancouver along the northern border of Fourth Plain Boulevard generally between Ward Road and NE 157th Ave; and,

WHEREAS, pursuant to RCW 35.13.125, the City of Vancouver received a signed initiation annexation petition from property owner for 100% of the assessed value of land within the defined annexation area; and,

WHEREAS, pursuant to RCW 35.13.125, on January 8, 2018, Vancouver City Council met with the interested parties, considered public testimony, and approved Resolution M-3957 accepting the annexation request; defining the geographic extent of the proposed annexation; requiring the

simultaneous adoption of the comprehensive plan and zoning designations; and not requiring assumption of all or any portion of the existing city indebtedness by the area to be annexed; and,

WHEREAS, on April 2, 2018, the City of Vancouver submitted the applicant's annexation petition to the Clark County Assessor having the signatures of owners of property within the annexation area owning at least sixty percent of the total assessed value of the area proposed for annexation; and

WHEREAS, pursuant to RCW 35.21.005, on April 12, 2018, the Clark County Assessor certified that the signature represents support from over sixty percent of the total assessed valuation of the area proposed for annexation; and

WHEREAS, the Vancouver City Council held duly noticed public hearings to consider the proposed annexation and, pursuant to RCW 35.13.150, determined that the annexation should be made; and

WHEREAS, the Vancouver City Council held duly noticed public hearings on a proposed comprehensive land use plan to become effective upon the annexation of the area, pursuant to RCW 35.13.177 and VMC 20.230.030, and determined upon annexation the Comprehensive Plan designation and zoning designations will change.

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF VANCOUVER:

Section 1. Approval of Annexation: Pursuant to Chapter 35.13 RCW, the annexation of the 5th Plain Creek Station annexation area to the City of Vancouver is hereby approved. The annexation area is located in Vancouver's unincorporated urban growth boundary, north of the current City limits generally north of Fourth Plain Boulevard between Ward Road and NE 157th Avenue. The legal description of the annexation boundary is set forth in Exhibit "A", attached

hereto and incorporated herein. A map of such annexing land is set forth in Exhibit “B”, attached hereto and incorporated herein.

Section 2. Comprehensive Plan and Zoning Designations: Pursuant to VMC 20.230.030 and RCW 35.13.177, and as provided in Ordinance M-4231 adopted by the City Council on May 21, 2018 and reaffirmed after a second public hearing on July 2, 2018, the designated Comprehensive Plan and zoning designations for the land proposed for annexation shall change. Upon annexation the Comprehensive Plan designation will change from Mixed Use (MX) to Urban High Density (UH) and Commercial (COM). The underlying zoning designations will change from Mixed Use (MX) to R-18 and General Commercial (GC). The comprehensive plan and zoning designations provided for herein are shown on the maps attached hereto and incorporated herein as Exhibits “C” and “D”.

Section 3. Indebtedness: As provided in Resolution M-3957 adopted by the City Council on January 8, 2018, the City will not require the property owners within the annexation boundary to accept any of the existing indebtedness.

Section 4. Filing with Clark County: The City Clerk shall cause a certified copy of this ordinance to be filed with the clerk of the Clark County Council in accordance with RCW 35.13.150. The City Clerk shall cause a copy of this ordinance and ordinance M-4231 to be filed with the Clark County auditor in accordance with RCW 35.13.178.

Section 5. Certificate of Annexation. The City Clerk will cause the certificate required under RCW 35.13.260 to be filed with the office of financial management within thirty (30) days of the effective date of annexation.

Section 6. Effective Date: This ordinance shall become effective July 3, 2018.

Exhibit B: Annexation Boundary

Exhibit C: Proposed Comp Plan

**PETITION FOR ANNEXATION
TO THE CITY OF VANCOUVER, WASHINGTON**

To the Honorable Mayor and City Council of the City of Vancouver, Washington.

The undersigned, being the owner of one hundred percent (100%) of the acreage of the real property herein described and lying contiguous to the City of Vancouver, Washington, does hereby petition that such territory be annexed to and made a part of the City of Vancouver under the provisions of Chapter 128, Laws of 1945, Chapter 331, Laws of 2003, and any amendments thereto, of the State of Washington (RCW 35.13.001, *et seq.*).

- The territory proposed to be annexed is within Clark County, Washington, and the boundaries are outlined on the plat accompanying this Petition. The property is legally described Exhibit "A" attached hereto.

There are no registered voters residing on the property.

The City Council of the City of Vancouver met with the initiating party at a council meeting on January 8, 2018, and did determine that the City of Vancouver would accept the proposed annexation. At said meeting the City Council did also determine that:

- It would adopt a comprehensive plan designation of Commercial and zoning designation of General Commercial (CG) for 5.9 acres of the proposed annexation area, and a comprehensive plan designation of Higher Density Residential and zoning designation of R-18 for 27.4 acres of the proposed annexation area; and,
- It would not require the assumption of existing City of Vancouver indebtedness by the area proposed to be annexed.

Wherefore, the undersigned petitions the honorable City Council and asks:

- (a) That appropriate action be taken to entertain this Petition, fixing a date for a public hearing, causing notice to be published and posted, specifying the time and place of such hearing, and inviting all persons interested to appear and voice approval or disapproval of such annexation; and
- (b) That following such hearing, the City Council determine by ordinance that such annexation shall be made, annexing the above described territory, and declaring the date whereon such annexation shall be effective; and that property so annexed shall become a part of the City of Vancouver, Washington, subject to its laws and ordinances then and thereafter in force.

Petition for Annexation to the City of Vancouver

The petitioner subscribing hereto agrees that all property within the territory hereby sought to be annexed shall be assessed and taxed at the same rate and on the same basis as other property within the City of Vancouver, including assessments or taxes in payment of any bonds issued or debts contracted prior to or existing at the date of annexation.

Certification of Sufficiency
Van Mall North Annexation

The City of Vancouver on April 2nd, 2018 submitted for review by Clark County Assessor, a petition to annex to the City, approximately 33.34 acres of land known as the 5th Plain Creek Station annexation. Subject to the requirements of RCW 35.21.005, I now certify the following in my capacity as Clark County Assessor:

1. On April 2nd, 2018 the City submitted for certification by the Clark County Assessor a petition to annex to the City one (1) parcel of land and associated road and public utility rights-of-way, totaling approximately 33.34 acres.
2. The legal description and map of the area proposed for annexation, as provided by the City, are attached to this certification. According to the map provided by the City, this area is located in unincorporated Clark County and within the urban growth boundary.
3. The City is completing annexation pursuant to the 60% method of annexation, 35.13.125 through 170.
4. The Clark County Assessor initiated determination of petition sufficiency on April 2, 2018 which is the "terminal date" as defined in 35.21.005.
5. The area proposed for annexation has a certified annexation value for general taxation of \$6,015,500.
6. Petition signatures provided by the city represent valid owner signatures of a combined total assessed value for general taxation of not less than 60% of the total assessed value for general taxation of all property in the proposed annexation area. This review did not address the legal sufficiency of any proxy or utility covenant, only the sufficiency of the presence of signatures thereon.

Therefore, based on the petition certification request and supporting materials submitted by the City, I hereby declare and certify that the petition represents the affirmative consent of properties totaling more than 60% of the value according to the assessed valuation for general taxation purposes of the property proposed for annexation.

Given under my hand and seal this April 12, 2018.

Clark County Assessor

RESOLUTION NO. M-3957

A RESOLUTION relating to an annexation request using the 60% direct petition method pursuant to RCW 35.13.125 establishing the annexation geographic area, determining the process for the comprehensive plan and land use designations, and determining whether the property owners will assume all or any portion of existing City indebtedness for the proposed annexation area; and providing for an effective date.

WHEREAS, pursuant to RCW 35.13.005, no city located in a county in which urban growth areas have been designated under RCW 36.70A.110 may annex territory beyond an urban growth area; and,

WHEREAS, pursuant to RCW 36.70A, the City of Vancouver has an urban growth area designated under the Growth Management Act; and,

WHEREAS, the proposed Annexation area is located in Vancouver's urban growth boundary, and is contiguous to the City of Vancouver along the northern border on Fourth Plain Boulevard generally between Ward Road and 162nd Avenue; and

WHEREAS, pursuant to RCW 35.13.125, the owners of more than 10% of the assessed valuation of an area proposed for annexation have submitted annexation initiation petitions; and

WHEREAS, pursuant to RCW 35.13.125, the Vancouver City Council scheduled and advertised a public meeting with the interested parties to decide whether to accept, reject or geographically modify the proposed annexation area; whether to require simultaneous adoption of comprehensive plan and land use zoning designations as provided for in VMC 20.230.030;

RESOLUTION - 1

and whether to require assumption of all or any portion of the existing city indebtedness by the area to be annexed.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY OF VANCOUVER:

Section 1. Pursuant to Ch. 35.13 RCW, and as discussed in Staff Report 004-18, the 33.69 acre 5th Plain Creek Station Annexation area is unincorporated land located in Vancouver's urban growth boundary, and is contiguous to the City of Vancouver along northern border on Fourth Plain Boulevard generally between Ward Road and 162nd Avenue. The legal description of the annexation area is set forth in Exhibit "A", attached hereto and incorporated herein. A map of the annexation area is set forth in Exhibit "B", attached hereto and incorporated herein. The City will also annex the 152nd Avenue right of way abutting the subject annexation site to the west.

Section 2. VMC 20.230.030 provides that City Council shall designate the city comprehensive plan and zoning designations for the annexing land so as to be the most similar to the county zoning designations of such land, unless adoption of different designations are approved by Council. The site is currently designated as MX in Clark County for both comprehensive plan and zoning. Using the conversion under VMC 20.230.030B the site would convert to the City's corresponding COM (Commercial) comprehensive plan designation and MX zoning. The attached exhibits "C" and "D" graphically show the standard comprehensive plan and zoning conversions. In this case, the applicant is seeking to change the existing Comprehensive Plan designation from MX to COM and UH and the existing zoning designation of the site from MX to CG and R-18. The attached exhibits "E" and "F" graphically show the

RESOLUTION - 2

proposed comprehensive plan and zoning conversions. The applicant is proposing to complete the Comprehensive Plan and Zone Change process through the Planning Commission and City Council prior to returning to City Council for the final annexation ordinance hearing.

Section 3. Currently there is no City indebtedness for the annexation area to assume therefore assumption of existing debt is not required.

Section 4. This resolution shall become effective immediately upon adoption, and as provided in RCW 35.13.125, is not subject to appeal.

Signed this 8th day of January 2018.

ORDINANCE NO. M -4231

AN ORDINANCE relating to Comprehensive Plan and Zoning for the City of Vancouver and Vancouver Municipal Code (VMC) Title 20; establishing Vancouver Comprehensive Plan and Zoning map designations for a property at 15306 Fourth Plain Boulevard which has requested annexation to the City of Vancouver, and authorizing the City Manager to enter into a Development Agreement, attached hereto as Exhibit A.

WHEREAS, pursuant to the Growth Management Act the City Council has adopted a Comprehensive Plan for the City of Vancouver (Ordinance M-3994), and Title 20 zoning standards (last amended through Ordinance M-4223; and

WHEREAS, the property is currently located in unincorporated Clark County, and is designated Mixed Use and MX by the County Comprehensive Plan and zoning map. Property owner Joann Toedtli proposed annexation to the City of Vancouver on November 9, 2017, and requested that pending annexation, the City establish Comprehensive Plan and zoning map designations of Urban High Density and R-18 on the northern approximately 27 acres of the site, and General Commercial and CG on the southern approximately 5 acres; and

WHEREAS, the Vancouver City Council formally initiated the annexation review process at a public meeting on January 8, 2018, at which time the City Council directed the Vancouver Planning Commission to review the Comprehensive Plan and zoning map designations proposed by the applicant and make recommendations; and

WHEREAS, the Vancouver Planning Commission reviewed the proposed changes at a duly advertised work session on February 13, 2018, and duly advertised public hearing on March

ORDINANCE - 1

13, 2018, and at that hearing voted unanimously to recommend establishment of Comprehensive Plan and zoning map designations at the site proposed by the applicant, and authorization of the Development Agreement; and

WHEREAS, the City Council finds and concludes that the proposed establishment of Comprehensive Plan and zoning map designation changes and accompanying Development Agreement are consistent with all relevant criteria for Comprehensive Plan and Zoning Plan Map and Text Amendments (VMC 20.60 and 20.285) and consistent with the policies and provisions of the Comprehensive Plan and the Growth Management Act pursuant to the requirements of Chapter 36.70A. RCW; and

WHEREAS, the City Council conducted a duly advertised public work session on April 16, 2018, first reading on May 7, 2018, and public hearing on May 21, 2018, following which the Council adopted the Planning Commission recommendations for approval; and

WHEREAS, the cumulative environmental impacts of the proposed Comprehensive “Plan and zoning changes have been reviewed and determined to be nonsignificant pursuant to the State Environmental Policy Act. Notices of Determination of Non-significance (DNS) were issued on September 8, 2017 for the proposed Comprehensive Plan and zoning text and map changes, and no SEPA comments or appeals were received; and

WHEREAS, the City Council believes that the proposed changes are consistent with the relevant comprehensive plan policies that encourage orderly development within the community; and

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF VANCOUVER:

Section 1. Findings and Conclusions. The Planning Commission findings and

conclusions as set forth in the staff report for the March 13, 2018 public hearing, are hereby adopted as the City Council's findings of fact; and

Section 2. Comprehensive Plan and Zoning Code Map Designation Amendments

The Vancouver Comprehensive Plan 2011-2030, adopted through Ordinance M-3994, and VMC Title 20 Zoning Code, last amended through ordinance M-4223, are amended to establish Urban High Density/R-18 designations on the northern portion of property at 15306 Fourth Plain Boulevard, Tax Lot 159108000 as indicated in Condition 7.1 and Exhibit B of the Development Agreement that is attached hereto as Exhibit A, and Commercial/CG designations on the southern portion of said property, all effective upon finalization of annexation; and

Section 3. Development Agreement. The City Manager is authorized to enter into a Development Agreement, attached hereto as Exhibit A herein, ensuring future development is substantially consistent with a conceptual site plan submitted by the applicant indicated in the Development Agreement, unless otherwise required as part of the subsequent development review.

Section 4. Severability. If any clause, sentence, paragraph, section, or part of this ordinance or the application thereof to any person or circumstances shall be adjudged by any court of competent jurisdiction to be invalid, such order or judgment shall be confined in its operation to the controversy in which it was rendered and shall not affect or invalidate the remainder of any parts thereof to any other person or circumstances and to this end the provisions of each clause, sentence, paragraph, section or part of this law are hereby declared to be severable.

Section 5. Effective Date. This ordinance shall become effective only upon the annexation of the land described herein.

Section 6. Instruction to City Clerk. The City Clerk shall transmit a copy of the revised development code to the Washington Department of Commerce.

DEVELOPMENT AGREEMENT

1. **EFFECTIVE DATE:** _____, 2018
2. **PARTIES:**

5th Plain Creek Station LLC
c/o Hurley Development
915 Broadway, Suite 250
Vancouver WA 98660
hereinafter: "5th PLAIN"

City of Vancouver
P.O. Box 1995
Vancouver, WA 98668-1995
hereinafter: "CITY"
3. **RECITALS:**

3.1 At the time of the execution and recording of this Development Agreement 5th PLAIN will own the property legally described in **Exhibit A**.

3.2 5th PLAIN has requested annexation to the City of Vancouver, and the establishment of Comprehensive Plan and Zoning map designations of Commercial and CG on the southern portion of the property, and Urban High Density Residential and R-18 on the northern portion.

3.3 The Property is currently designated Mixed Use and MX by Clark County. The subject property is tax parcel number 159108-000, and located at 15306 Fourth Plain Blvd.

3.4 Vancouver Municipal Code 20.230 provides two methods for assigning a Comprehensive Plan and Zoning designation to newly annexed areas. The first method allows annexing properties to be assigned the City designations most consistent with their existing County designations. The second method allows for that the consideration of a different designation, if done concurrent with the annexation.

3.5 The Parties desire to memorialize the Comprehensive Plan and Zoning designations on the Property at the time of annexation and set forth additional provisions related to development of the Property.

NOW THEREFORE, the Parties agree as follows:

4. **Recitals.** The recitals are hereby incorporated into this Agreement and shall bind the Parties to the terms of this Agreement.

5. **Purpose.** The purposes of this Development Agreement are to:

5.1 Ensure that future development of the property is substantially consistent with conceptual site plan submitted by 5th PLAIN as part of its Comprehensive Plan and Zoning map designation request set forth in Recital 3.2, depicted on **Exhibit B** herein, pending further change to the site plan required through future site plan or subdivision review.

5.2 Ensure that future commercial development not include select commercial uses otherwise allowed in the proposed CG zone, which have limited employment density relative to the potential opportunities afforded by high traffic corridors such as Fourth Plain Blvd.

6. **Term.** The initial term of this Development Agreement shall be for twenty (20) years from the effective date of this Agreement, which may be extended by mutual agreement between the Owner of the Property and the City and approved by the City Council in accordance with state law.

7. **Conditions.**

7.1 **Conceptual Development Plan.** The proposed preliminary site plan for the Property depicted in **Exhibit B** attached hereto, is incorporated herein by this reference. Development of the site shall be in substantial conformance with **Exhibit B** and in conformance with any final Site Plan required and approved by or required by the City, or any alterations, changes or amendments thereto that are approved during any subsequent site plan approval process.

7.2 **Uses.** The Property uses shall be those allowed in the zoning districts applied to the Property upon annexation, except that commercial uses listed in VMC Table 20.430.030-1 of self-serve storage, non-accessory parking, and dog day care shall be prohibited.

8. **Successors.** This Development Agreement and all of its provisions shall be binding on the Parties and any and all of their assigns and successors in interest.

9. **Enforcement.** This Development Agreement may be enforced by the Parties through any remedy provided by law or in equity.
10. **Severability.** If any provision of this Development Agreement, or the application of the provision to any person or circumstance, is declared invalid, then the rest of the agreement or the application of the provision to other persons or circumstances shall not be affected.
11. **Authority.** Those signatories who sign on behalf of a limited liability company are expressly vested by the governing documents of such limited liability company which they purport to represent with the authority to bind such limited liability company in the manner in which such signatories have purported to bind their principal herein.
12. **Controlling Law.** In the event of any litigation arising hereunder, or with respect hereto, the law of the State of Washington shall control, and all signatories hereto, do hereby submit themselves personally to the jurisdiction of the courts of the State of Washington, and do hereby agree that any action arising hereunder may be instituted in Clark County Superior Court, if the parties are served including anywhere not within the State of Washington, by any method authorized by Washington Law.
13. **Required Public Hearing.** This Development Agreement is authorized by a Resolution of the City Council of the City of Vancouver following a hearing as required by RCW 36.70B.170.
14. **Extensions of Time for Performance.** Notwithstanding anything to the contrary contained in this Agreement, neither party shall be deemed to be in default where delays and performance or failure to perform are due to war, insurrection, strike or other labor disturbances, walkouts, riots, floods, earthquakes, fires, casualties, acts of God, extended appeals by third parties or similar basis for excused performance which are not within the reasonable control of the party to be excused. Upon the request of either Party, an extension of time for such cause shall be granted in writing for the period of the forced delay, or longer, as may be mutually agreed upon.
15. **Vesting.** The Parties agree that the development of the Property and this Development Agreement vests as to the permitted uses, land use ordinances, regulations, and development standards in effect in Title 20 VMC as of the earlier of the date of any fully complete land use application being processed for approval with this Development Agreement, or the date of the execution of this Development Agreement. "Vesting" shall mean that the Property is entitled to be used and to implement a site plan or other land use permit or approval that is substantially consistent with that shown in Exhibit B, and that the Property is entitled to be eligible to receive land use approval of development proposals ("implementing land use approval(s)") that are consistent therewith, in accordance with the zoning, development and land use ordinances in effected upon the date of the vesting of this Development Agreement without any such application being subject to changes in ordinance, regulation, and development standards and regulations that are enacted or implemented subsequent to the date of vesting of this Development Agreement. Further, if an implementing land use approval has become final (not appealed), which is at variance with such ordinance, regulation, and development standards and regulations with the agreement of the applicant(s), the ordinance, regulation, and development

standards and regulations manifested in such implementing land use approval(s) shall become vested under this Development Agreement. This Development Agreement and the development standards in, and terms of, this Development Agreement govern during the term of this Development Agreement and may not be subject to an amendment to a zoning ordinance, land use regulation, or development standard adopted after the effect date of this Development Agreement except with the agreement of the applicant or owner; provided that an applicant or owner of the Property may elect to waive vesting as to an ordinance, requirement, condition or standard and proceed under any ordinance, requirement, condition or standard more recently in effect by the City of Vancouver as allowed under VMC 20.250.040. This vesting shall continue beyond the term of this Development Agreement as to any fully complete implementing land use application in process or granted by the City during the term of this Development Agreement, for the normal term of approval of any such application or approval. Any permit or approval issued by the City, including any implementing land use approval, after the vesting of this Development Agreement must be consistent with this Development Agreement.

16. **Exception to Vesting/Serious Threat to Public Health.** Nothing contained in this Development Agreement shall preclude the City from exercising any and all rights it has under RCW 36.70.170(4) to address issues of public health and safety.

17. **Construction.** This Development Agreement sets forth the entire agreement of the Parties. This Agreement shall be construed as a whole. No amendment, change or modification of any provision of this Agreement shall be valid unless set forth in writing and signed by both Parties. To the extent of any conflict with any City regulations which may otherwise govern the Property, the terms and conditions of this Development Agreement shall prevail.

18. **Binding Effect.** This Development Agreement, or a summary therefore, shall be recorded against the Property and shall run with the land subject only to the express conditions or limitations of this Agreement, and shall be binding upon and inure to the benefit of the respective successors and assigns of the parties. Upon assignment of this Development Agreement or the conveyance of any parcel of the Property to which this agreement is applicable, the assignee/grantee shall be deemed to assume all rights, obligations and liabilities set forth in this Agreement as they relate to such parcel.

19. **Cooperation.** Each Party shall take such action (including, but not limited to the execution, acknowledgement and delivery of documents) as may reasonably be requested by the other Party for the implementation or continuing performance of this Development Agreement. In the event of any administrative, legal or equitable action or proceeding instituted by any person or party to this Agreement challenging the validity of any provision of this Agreement, or any subsequent action taken consistent with this Agreement, the Parties shall cooperate in defending such action or proceeding to settlement or final judgment, including all appeals. Each Party shall select its own legal counsel and retain such counsel at its own expense.

20. **Effective Date.** This Development Agreement will become effective on signature by the City of Vancouver and 5th Plain Creek Station LLC or successor.

MEMORANDUM

DATE: June 25, 2018

TO: Mayor and City Councilmembers

FROM: Council Committee II (Lebowsky, Topper, Turlay)

RE: **RECOMMENDATIONS FOR APPOINTMENTS TO THE BUILDING / FIRE CODE COMMISSION**

CC: Eric J. Holmes, City Manager
Michelle Bartley, Boards & Commissions

The Building/Fire Code Commission makes recommendations to City Council on building and fire codes and all proposed code changes; hears appeals of building official and fire code interpretations. The membership is composed of specific construction interests.

Committee II recently interviewed nine (9) candidates for appointment to the BFCC and recommends appointing Adrienne Clifford and David Wulbers to the Building/Fire Code Commission to a position beginning immediately and expiring 6/30/24.

Committee II also reviewed a request for reappointment to the Building/Fire Code Commission and recommends reappointing Scott Anders to a term expiring 6/30/24.

If there are no objections, Committee II would like to recommend making these appointments at the **Monday, June 25, 2018**, Council meeting.
