AGENDA

True Colors® Professional Development

True Colors® professional development supports public sector staff, leaders, and elected officials to gain deeper skills in commonplace misunderstandings around how people may act and/or react. The professional development goals are to increase self-awareness, improve communication skills, and elevate empathy for others.

The professional development is guided by the principles outlined in the True Colors® Program.

City Hall is served by C-TRAN. Route information and schedules are available online at www.c-tran.com. You also may reach C-TRAN at (360) 695-0123 for more information on times, fares, and routes.
